

The Willowick Soccer Club is a volunteer run organization. We are looking for people who can help out and get things done, and also communicate and work together. Most importantly, we are looking for people who want to make Willowick Soccer Club a better club for everyone.

The end result will be a better and stronger club where more can be accomplished and we can improve the experience for our children, their parents, and our volunteers.

If you can help, please contact us at willowicksoccerclub@gmail.com to discuss which positions need filled.

Thank you for your support!
