

WSC

Game Cancellation Policy

From time to time the WSC will be required to cancel games, should this occur the club will notify your coach, who will in turn notify you as quickly as possible. However, there are times when cancellations are determined only after players have already arrived at the field.

Please be aware that soccer games are played in all types of weather, and temperatures including cold and rain.

Games are only canceled when:

- **There is continuing lightning/thunder.**
- **The field is too muddy or otherwise unplayable.**
- **The rain is too heavy.**

In the case of thunder and or lightning, coaches and referees are instructed to take players off the field at the first sign of lightning and to keep them off for at least 30 minutes since the last sound of thunder or lightning strike.

Please **do not** assume a game is cancelled until you have heard from your coach.
