**WELCOME**

Dear player and parent:

Welcome to the Rush Wisconsin 2019 -2020 Tryouts. We consider it an honor and privilege to have the opportunity to be the competitive soccer home for your player.

The tryout process can be a very stressful experience for players, families and coaches alike as everyone strives to do their best to place players on the appropriate team, consistent with the commitment and ability level of the player.

The best advice I can give players who go through the process is have as much fun as possible playing the game and participating in the activities. Try to make new friends with the coaches and players. Listen and learn and above all give your best effort. You might see players who are better than you and you might also notice that you are better than some of the players present. The key is to do your best and show coaches your best attributes as a player and as a person.

Parents, please note we do an informational meeting on the first day of your age group tryout. We ask that you come at least 30 minutes prior to the beginning of your tryout time to check in. We will double check the information we have on file, assign your player a tryout T-shirt and number. The T-shirt and number must be worn for both days of tryouts.

The parent meeting attempts to summarize most of the information in this prospectus in about 30-40 minutes and leaves time at the end to answer any questions you might have about our program and/or team.

Again, thank you for considering our club for the 2019 season. We look forward to getting to know you and your player a lot better over the course of the year.

Sincerely,  
Ben John  
Rush Wisconsin Technical Director

**NOTIFICATION**

Accepting your offer

Per the tryout rules, you will have 24 hours to accept or decline this offer. Your offer, therefore, could expire by the end of the day on June 14<sup>th</sup> for U10 – U14 (2010 – 2006 Birth Year) Boys and Girls and June 21 for U15 – U19 (2005 – 2001 Birth Year) Boys and Girls. **Please note we are unable to guarantee your offer beyond the 24 hours notification.**

[Sample Notification Letter for Rush Team](#)

[Sample Notification Letter for Black Team](#)

[Sample Letter for No Offer](#)

---

**ACCEPTING YOUR OFFER AND NEXT STEPS- TEAM MEETINGS**

**Once you receive your email offer, you have 24 hours to accept the offer.** If you do not accept within this stipulated time frame, your team offer is no longer guaranteed.

If for some reason you need a little more time to make a decision, please contact your team coach (information provided in the notification email) to make this request. We cannot guarantee that the team coach is able to provide you this allowance.

We are making the appeal to all parents who know exactly what your intentions are, with regards to the offer made by Rush, to communicate your decision as early as possible to the team coach so we can notify the next eligible player of their offer.

**A note about alternates:**

During the selection process, the Rush coaches will identify alternates to a Black team or alternates from a Black team to a Rush team. This means that a player did not make our original selection for a 1<sup>st</sup> or 2<sup>nd</sup> team at Rush.

However, if another player turns down an offer for one of our teams, we will contact a player identified as an alternate candidate and make them a new offer (either to a Black team or from a Black team to a Rush team).

Traditionally, we identify at least 3-5 players as alternates to each team. The number of alternates identified depends on the available player pool and their level of suitability for an alternate team. Alternates are often selected based on the needs of the respective Rush or Black team.

When an offer has changed, a player has 24 hours from the change in offer being made to accept the offer. Again, we ask you to respond as quickly as possible.

To complete your acceptance, please follow the information in your notification letter. The next step if you accept is to attend your team meeting. We will begin all meetings in the cafeteria and then you will break into classrooms with your team and your coach for more specific information. At your team meeting you will need to fill out a liability waiver that will need to be turned into your manager/coach.

Your attendance at Rush Team meeting is mandatory, and will cover the following:

- Meet with teammates
- Meet the Coach
- Try on uniforms
- Complete Registration
- Meet parents
- Finalize dates
- Fill out important documents

Meetings will be held at:  
**Kromery Middle School**  
7009 Donna Dr.  
Middleton, WI 53562

### **ABOUT RUSH SOCCER**

Based in Denver, Colorado, Rush Soccer is an international sports organization focused on the development of soccer players. Rush Soccer partners with 85 clubs across the globe, and provides comprehensive club development curriculum that benefits over 32,000 players through professionally-run trainings, tournaments, and a cutting edge coaching system developed to enhance players' skills both on and off the field.

As one of the largest professional development systems in the world - and with an ever-expanding global footprint - Rush Soccer is creating a professional pathway for young soccer players unavailable anywhere else in the country. The organization's extensive network of professional coaches and technical staff are dedicated to the betterment of soccer in the United States, and developing a better quality of soccer player within the Rush system.

Rush Soccer became the 1st club to reverse-engineer a soccer pathway from the youth fields to the professional level with the formation of, Penn FC Men's Team and Rush Inferno Women's Team. Founded in 2018, Penn FC is the official professional branch of Rush Soccer participating in the United Soccer League.

### **Rush Wisconsin Story**

Our story has its origins in the historic Yahara Soccer Club, one of the premier soccer clubs in the State of Wisconsin. Yahara Soccer Club and Middleton Soccer club negotiated a merger in 2006 to become MYSC, Inc. creating a Recreational to Regional pathway for players in the Middleton - Madison area.

In 2009 the Board of Directors made the decision to be part of the Rush Soccer family to give players in the Dane County area and thereby extending the player developmental pathway to include a national and international opportunity and experience.

Rush Wisconsin is a competitive club and as such works to prepare players at the younger age groups for the transition in the high school experience and at the older age groups to help players matriculate into the college game. Rush Wisconsin is recognized within the state and regionally as a top ranked program. Our teams have won championships at the local, state and national

## **RUSH SOCCER**

---

level, including multiple State Cup titles. Rush players are consistently placed on scholarship in top colleges and universities around the United States.

When a player becomes part of Rush Wisconsin's competitive soccer program, they begin a journey that ultimately not only strengthens their game, but also teaches the life skills of teamwork, dedication, friendship and being part of a supportive community. Governed by the guidelines of **Rush Core Values**, **U.S. Soccer** and the **Wisconsin Youth Soccer Association** our program builds each player along their own unique development path, growing them individually based on their abilities and as part of a successful team.

### **RUSH WISCONSIN FEATURES**

- A historic, top ranked competitive club in the State of Wisconsin.
- The Hwy Q Training Facility conveniently located between City of Middleton and Waunakee is considered one of the best, lighted, natural grass fields in the entire Dane County area.
- A highly experienced and credentialed coaching staff professionally licensed through the United States Soccer Federation.
- One of the top professional coach and directed Youth Academy Program in the area for U4 – U10 Boys and Girls.
- The only soccer program in the area that is part of a national and international affiliation of clubs that seeks to bring the world of soccer and its resources to the city of Middleton, Dane County area and the state of Wisconsin.
- A prolific college placement program assisting players to realize their goals of playing at the next level.
- A progressive player and team development program and curriculum

**THE MOST CRITICAL AND COMMON WAYS A PLAYER LEARNS AND BECOMES PROFICIENT IN THE GAME OF SOCCER**

<b>Watching and Imitating Peers</b>	<b>Individual Training</b>	<b>Camps</b>	<b>Playing the Game</b>	<b>Team Training</b>	<b>Watching the Game</b>
College Advisory Program	The Training Center	College Exposure Camp	Midwest Regional League	Weekly Practices	Watching local Badger Games
Rush Fest	Rush Select	Dutch Soccer School	Madison Area Soccer League	Indoor Winter Trainings	Watching Forward Madison Games
Rush Summit	Rush Guest Player Exchange	Next Level Winter Camp	Rush Select	Festivals and Friendlies	Watching National and International Games
The Training Center	Goalkeeper Trainings		Tournaments		

**RUSH PLAYER PATHWAY****THE TRAINING CENTER INFORMATION**

The Training Center is a long - term approach to individual player development and advancement in the game of soccer.

The Training Center is designed to impact player development in an innovative and dynamic way. The program will feature Senior Rush coaching staff who will work alongside regional and nationally recognized coaches. All coaches will use The Training Center curriculum, proficiencies and benchmarks document as their primary guide in designing and executing training sessions.

Players are evaluated, using our curriculum as a litmus, to determine where they are on the developmental continuum at their specific age (see Diagram 2). The program is designed to help the player advance further along the continuum to reach a higher level of proficiency in the game.

The Training Center players can also participate in Select Tournaments identified by The Training Center staff. These tournaments also do not compete with the slate of tournaments identified for Rush Wisconsin teams. Players will be placed in their appropriate age division based on their ability. This means if a 2004 player is capable of training and playing in a 2002 group, they will be placed accordingly.

**Rush Wisconsin Youth Development Academy Division**  
**Age Group U8 – U10**  
**2019-2020 AGE MATRIX**

BIRTH YEAR	AGE GROUP	GRADE
2013	U7	
2012	U8	1 & 2
2011	U9	2 & 3
2010	U10	3 & 4

**Program Description:**

The U7 – U10 age group is extremely important to the development of youth soccer players and it is vital to create an appropriate developmental environment.

Players in these age groups participate together irrespective of skill, athletic ability or physical size. There are, however, important characteristics to players who are appropriate for this experience.

- Players who love the game of soccer and take the initiative to play and practice on their own
- Players who can have fun while striving to become better and more engaged soccer players
- Player that develops best in a focused, structured, organized and curriculum specific environment
- Players who are receptive to being challenged by a professional coach to meet specific standards in technical development, physical coordination and mental focus
- Players and parents who understand that the game is an opportunity for players to express their creativity and apply principles and skills learned in practice. There is no pressure to win games

This program is designed to prepare players for the competitive experience at Rush. (U10 – U19). A little over 90% of our players who enter the Youth Academy Program matriculate into our Rush Junior Division (U10 – U14).

**Team Formation:**

Teams are formed with a view to create balanced and equally competitive teams. The primary focus is on skill development and the game is an extension of our training. The games are a fun, safe place for players to express themselves freely and apply ideas and skills learned in training.

**Playing Time:**

Players in this age group should minimally receive 50% playing time over the course of the season. Exceptions to equal playing time rule could include:

- In the case of disciplinary action
- Injury and player safety

### **Player Evaluation and Potential Player Movement**

Players will receive a total of 2 evaluations conducted by their assigned head coach. The purpose of this evaluation is to give the player an honest opinion of their current abilities, while providing verbal and written feedback to improve their game. The player evaluation process is similar to a report card or parent teacher conference in school. It is an integral piece to the player development equation.

Players who are showing a propensity to be challenged above the ability level of their peers can be “player passed” into some training and games with the competitive division of the club. It is a significant advantage for Rush Youth Development Academy players to have access to the competitive division of the club.

### **Program Highlights**

	<b>HIGHLIGHT OF ACTIVITIES</b>
Training	<ul style="list-style-type: none"><li>• Fall/Spring: 2x per week</li><li>• Winter: Next Level Training Camp (Optional/Additional fee)</li></ul>
Competition	<ul style="list-style-type: none"><li>• Fall/Spring: Approximately 8 local games each season</li><li>• Tournaments/Festivals: 2-3 per year</li><li>• Winter: Futsal League (Optional/Additional fee)</li></ul>
Developmental Focus	<ul style="list-style-type: none"><li>• Training with maximum time in contact with a ball</li><li>• Small sided games to increase touches</li><li>• Focus on passing, receiving, dribbling and awareness</li></ul>

**Rush Wisconsin Junior Division  
Age Group U10 - U12  
2019-2020 AGE MATRIX**

BIRTH YEAR	AGE GROUP	GRADE
2010	U10	3 & 4
2009	U11	4 & 5
2008	U12	5 & 6

**Program Description  
U10 - U12**

We recognize there are players at the U10 age group who are proficient and suited for the competitive experience. Players are permitted to enter the tryout process (usually held at the end of May/beginning of June). Players at the U10 age group who are interested in a less committed experience can elect to join our Youth Development Academy.

The goal at these age groups is to foster a continued love and passion for the game of soccer and to help players acquire the skills necessary to play the game at the highest - level possible. The focus at these age groups continues to be individual skill enhancement, athletic coordination and movement and some tactical and organizational understanding in a 9 vs. 9 setting.

Players are grouped, via a tryout process, to train and compete with players of similar ability, aptitude and commitment level. Our top team in an age group is designated as Rush and our second team is designated as Black. The two most notable, potential differences between our Rush and Black team, besides the player skill and proficiency on each team, are the number of practices per week and the league and tournament placement of each team.

**Training Rush vs. Black**

Rush teams at each age group, practice 3 times per week. At least twice per week, the team will train exclusively with their coach and as a team/age group. At least once per week the team will participate in the Training Center. For more information on the Training Center click on link:  
<http://www.rushwisconsin.com/Default.aspx?tabid=1125034>

Black teams at each age group practice 2 times per week. The team will train exclusively with their coach and as a team/age group. Players can elect to participate in the Training Center program every week at an additional cost.

We strongly encourage Black team players to register for the Training Center. The focus of the Training Center is to improve player deficiencies and assist players in their technical and physical development while enhancing their tactical and mental understanding of the game. The goal is to advance both Rush and Black teams through the periodized, age specific curriculum and benchmarks at a similar pace. Black team players, traditionally, have specific physical and technical deficiencies that require greater developmental focus and attention hence the importance in the additional training offered by The Training Center.

## RUSH SOCCER

### League Placement Rush vs. Black

U10 Rush competitive team will participate in the U11 MAYSA Classic League  
 U11 and U12 Rush team will participate in the highest level of MAYSA Classic League that is appropriate for their ability level. In the Spring season of the U12 year we attempt to expose the players to the larger game by playing up at U13 in the 11 vs. 11 league

U11 and U12 Black team will participate in the Madison Area Youth Soccer Association Classic League

### Playing Time:

Guidelines for playing time are the same for both Rush and Black team. Playing time is earned, however, we encourage an active rotation so every player gets in during each half. As a general guideline players are expected to secure at least 30% playing time. Exceptions to this rule include:

- State Cup/President's Cup Matches (not applicable at U11 and U12)
- Finals for tournaments
- In the case of disciplinary action
- Injury and player safety

2000	\$1600	\$1350	\$250	

### CONCLUDING STATEMENT AND VOLUNTEER POLICY

Again, on behalf of our entire coaching staff and the Rush Wisconsin Board of Directors, thank you for attending our tryout and considering our program for another year (returning players and parents) or for the first time. We are delighted to have the opportunity to serve your family.

Managing and operating a Youth Soccer Non-Profit Soccer Club is no easy task. There are a lot of moving parts associated with running a club and often times, limited resources to be able to execute effectively on all tasks needed to service operations. We simply cannot provide our best service to our players and families without your support. The volunteer policy attempts to garner the help and support of our membership to perform key duties and responsibilities to assist the club and the coaching staff to concentrate its efforts on the development of players while limiting the expenses to parents.

A critical way the club keeps expenses down is to host two tournaments a year. The funds raised from our tournaments are used to subsidize operational cost and thereby limit player fees. The volunteer policy below is an attempt to garner your gifts and talents to support our needs as an organization to better serve our members.

#### Volunteer Policy

Rush requires that all Rush Wisconsin families volunteer during their time with Rush. Starting in the Fall of 2018, each family **will be required to serve 6 volunteer hours per season, with at least half of those hours served at the Fall Octoberfest Tournament or the Rush Spring Classic Tournament.**

Families have the option to buyout their volunteer hours during registration for the upcoming season via League One or the Demosphere registration system.

Season	Buyout Cost
Fall = 6 hours	\$150
Spring = 6 hours	\$150

## ***RUSH SOCCER***

---

As of Fall 2018, families can register for volunteer openings via Signup Genius. If a family has failed to sign up for open positions, and has not opted to buyout, they will be billed \$150 at the end of the season.
