How Long Do I Have To Accept My EPSC Offer?

Post-Tryouts - 24hrs after team posting.

Early Offers – Some players may receive a roster offer after Tryout Session #1. This guaranteed roster spot will stay open for 24hrs after which it will be reopened. This allows EPSC Staff and Evaluators to better execute the tryout process. We realize 24hrs is a short window, so please research your options and ask questions ahead of tryouts.

If I Pay A Tryout Fee, Does This Bind Me To EPSC?

No, absolutely not. This is tryout fee to cover our costs and deter casual interest. Once you have accepted your roster spot and paid your registration fee, that will bind you to EPSC.
