

H. Pitching – continued

This should be under (h-pitching) immediately after the rule on balks and before the regular season pitch counts.

- Pitchers are not allowed to throw curve balls or sliders. Concerned coaches should approach the umpire and ask for his oversight moving forward, but only the umpire will deem a ball a breaking pitch.
 1. First team offense: warning
 2. Second team offense: batter awarded first base and runners advance if forced
 3. Third team offense: batter awarded first base, runners advance if forced, and the pitcher will be removed from the mound.
 4. Fourth team offense: game is forfeited by offending team (game may continue at the umpires discretion as an exhibition game)
