## 2019-2020 Parent Code of Conduct

I, \_\_\_\_\_ pledge to accept responsibility for my actions and my Komets SC Experience by following the Parents Code of Conduct below:

1. I will not be a sideline coach or referee. EVER. I will support my coach and/or coaches.
2. I will provide positive reinforcement, care and encouragement to my child and their teammates at all times. I will refrain from making negative comments to my child and/or their teammates. I will refrain from making negative comments to officials or players/coaches from opposing teams.
3. I will encourage fair play and good sportsmanship by demonstrating positive support for all players, coaches and officials at every training session, game and tournament.
4. I will place the emotional and physical well-being of my child and their teammates ahead of any personal desire to win.
5. If my child develops a behavior-related problem that disrupts training and/or games, I will support and work with my child's coach to resolve the issue in a way that is best for the team and the player.
6. I will not sit or stand in the coaches/players technical area or on the same sideline during a game unless invited to do so by a coach or club official.
7. I expect and will demand that a soccer environment for my child is free of drugs which also includes alcohol and tobacco. I will refrain from such use at all training sessions, games, tournaments, team events or club sponsored events.

8. I will remember the game is always for my child and their teammates.
9. I will do everything in my power to make soccer a continual source of enjoyment for my child.
10. I will treat other players, coaches, friends and families and game officials with nothing but respect regardless of race, gender, religious affiliation, orientation or ability.
11. I will remember that as a parent and a fan, I am a representative of Komets Soccer Club. I understand that poor behavior during training, games and a tournament may result in expulsion from the soccer complex/facility. If this behavior is repeated, it may result in expulsion from the club for both myself and the player associated with me.
12. During the Fall and/or Spring Club season, if my child is invited to participate with another soccer team in an indoor or outdoor event/league or asked to join another club, I will notify my child's Komets coach or a Komets Board Member. I understand that failure to do so puts me in violation of club rules as well as those of Indiana Soccer.
13. I will make team training an absolutely priority for my child as I understand it is an essential component in player development. If my child is forced to miss training, I will notify their coach immediately. I understand repeated absences from training not only robs from my child but the entire team. Training sessions are essential for team development and growth. I understand that repeated absences may result in reduced playing time or expulsion from the team.
