

Komets Soccer Club

2019-2020 Player Code of Conduct

I, _____ pledge to accept responsibility for my actions and my Komets SC Experience by following the Players Code of Conduct below:

1. I will demonstrate fair play and good sportsmanship at every training session, game and tournament. I will also do my part to encourage fair play and good sportsmanship from other players, officials, and parents.
2. I will attend every training session and game that I possibly can. If I cannot attend training and/or a game, I will make sure my coach and teammates know at the earliest possible time.
3. I will come to every training session and game ready to learn and ready to work hard. I alone accept full responsibility for bringing necessary equipment to every training and game, including, but not limited to: soccer cleats, proper clothing, ball, shin guards, water and both uniforms.
4. I will do my best to always listen to instructions from coaches and will encourage my teammates to do the same.
5. I will treat other players, coaches, officials, and fans with total respect regardless of gender, race, religious affiliation, orientation, or ability. I also expect to be treated with the same level of respect, and will report instances where this respect is violated to my coaches.
6. I pledge to have fun while learning and playing the game and will alert parents and coaches if this ever ceases to be the case.

7. I deserve to play in an environment free of drugs--including alcohol and tobacco--and will expect adults to refrain from their use during training and games. As a player/ representative of Komets SC, I also commit to refrain from using illegal drugs- including alcohol or tobacco.

8. I will encourage my parents/guardians to be as actively involved as possible because being a part of Komets SC is important to me. This includes committing to bringing me on time to training, encouraging me to practice technical and physical skills on my own time and cheering my team on at games.

9. As a student-athlete, I will do my best to work as hard in the classroom as I do on the soccer field. I will never put in half-way efforts, either in school or on the playing field.

10. I will always remember that I am a player-representative of Komets Soccer Club, and my actions and attitudes--both on and off the field--have an impact, for better or worse, on my family, my teammates, and the soccer club. I understand that, at the discretion of my parents/guardians, coaches, teammates, and club officials, any attitude or action that reflects poorly on the club may be cause for loss of playing time, training/game suspension, or expulsion from the team. If expelled from the team, I understand that previously paid registration fees will be forfeited and not reimbursed, and that unpaid registration fees will still be collected.
