- d) If the offense fails to score, the ball changes possession and the new offensive team starts its drive on its own 5-yard line.

- b) No-Run Zones are in place to prevent teams from conducting power run plays. While in the No-Run Zones (a 5 yard imaginary zone before midfield and before the end zone), teams cannot run the ball in any fashion. All plays must be pass plays, even with a handoff.
- c) Stepping on the boundary line is considered out of bounds.

- b) Halftime is one minute long.
- c) Each time the ball is spotted, a team has 30 seconds to snap the ball. Teams will receive one warning before a delay-of-game penalty is enforced.
- d) Each team has one 60-second time out per half.
- e) Officials can stop the clock at their discretion.
- f) In the event of an injury the clock will stop and restart when the injured player is removed from the field of play.
- g) If the score is tied at the end of 40 minutes, the game will go into overtime. Overtime (OT) Period is used to determine a winner. OT format is as follows:
  - i) First possession choice goes to the winner of regulation coin toss, loser of toss chooses direction.
  - ii) Each team gets at least 1 possession; all regulation rules & penalties are in effect, there are no time-outs.
  - iii) Each team starts with the ball at the 7 yard line going towards closest goal line (1 play to score)
    - (1) Teams can run or pass the ball (NO RUN ZONE isn't used in overtime). Teams score touchdowns (no extra points in overtime). If both teams score or don't score touchdowns, the process is repeated.
    - (2) Interceptions stop the play and ball is dead.
  - iv) Change of Possession:
    - (1) Change of possession takes place when Team scores or does not score a touchdown.
    - (2) Team B takes possession on the same 7 yard line going in the same direction as team A. Team B begins on the 7 yard line regardless of whether or not Team A's possession ended in an interception.

Team B runs 1 play ...if they don't score...yards gained is marked ...team gaining most yardage wins.

#### 7) Scoring

- a) Touchdown: 6 points
- b) PAT (Point after Touchdown) 1 point (5-yard line) or 2 points (12-yard line)  
Note: 1 point PAT is pass only, 2 point PAT can be run or pass.

- c) Safety: 2 points
- d) A Safety occurs when the ball carrier is declared down in his/her own end zone. They can be called down when their flags are pulled by a defensive player, their flag falls out, they step out of bounds or they hit the ground with their knee or arm. A Safety also occurs when there is an offensive penalty in the end zone.
- e) A team that scores a touchdown must declare whether it wishes to attempt a 1-pt. conversion (from the 5-yard line) or a 2 point (from the 12 yard line). Any change, once a decision is made to try for the extra point, requires a charged time out. Decision cannot be changed after a penalty. Interceptions on conversions cannot be returned.
- f) Mercy Rule: After one team is winning by twenty eight points or more, the losing team gets one offensive series to continue regulation play. If they do not score, the game goes into scrimmage mode (game technically ends scoring wise). The losing team has the option of continuing to play offense and defense in a game situation or play offense only for the remainder of the game. Scores do not count after entering Scrimmage mode. The game continues until the clock expires. The defense on the winning team cannot rush the QB after going into scrimmage mode.

## 8) Coaches

- a) Coaches are typically volunteer parents or family members helping the players learn and enjoy the game. Parents are encouraged to support the coach at all time.
- b) Coaches are allowed on the field to direct players according to need and division. Coaches must move to the sidelines before the snap of the ball. Offensive coach can stay on field but must stay away from players playing; defensive coach must go to sideline prior to start of play.
- c) Coaches are expected to adhere to Neighborhood Sports sportsmanship philosophies, coaching guidelines and codes of conduct.
- d) Only three coaches per team are allowed on the sideline during the game. Only head coach (NS designated by lanyard) can talk to referee or ask for rules clarification.

## 9) Live Ball/Dead Ball

- a) The ball is live at the snap of the ball and remains live until the official whistles the ball dead.
- b) The official will indicate the neutral zone and line of scrimmage. It is an automatic dead ball foul if any player on defense or offense enters the neutral zone. In regard to the neutral zone, the official may give both teams a "courtesy" neutral zone notification to allow their players to move back behind the line of scrimmage.
  - i) The Football neutral zone is an area in which no member of either team may be, other than the person holding the ball. The neutral zone only exists in dead ball situations (i.e. when play is not ongoing). The neutral zone can be described as the length of the football from one tip to the other when it is spotted.
- c) A player who gains possession in the air is considered in bounds as long as one foot comes down in the field of play.
- d) The defense may not mimic the offensive team signals, by trying to confuse the offensive players, while the quarterback is calling out signals to start the play. This will result in an unsportsmanlike penalty.
- e) Substitutions are not made on all dead balls... only on change of possession or in case of an injury to a player.
- f) Any official can whistle the play dead.
- g) Play is ruled "dead" when:
  - i) The ball hits the ground.
  - ii) The ball carrier's flag is pulled.
  - iii) The ball carrier steps out of bounds.
  - iv) A touchdown, PAT or safety is scored.
  - v) The ball carrier's knee or arm hits the ground.
  - vi) The ball carrier's flag falls out.
  - vii) The receiver catches the ball while in possession of one or no flag(s).
  - viii) The 7 second pass clock expires.
  - ix) Inadvertent whistle.

**NOTE: There are no fumbles. The ball is spotted where the ball carrier's feet were at the time of the fumble.**

- h) In the case of an inadvertent whistle, the offense has two options:
  - (1) Take the ball where it was when the whistle blew and the down is consumed.
  - (2) Replay the down from the original line of scrimmage.
- i) A team is allowed to use a time out to question an official's rule interpretation. If the official's ruling is correct, the team will be charged a time out. If the rule is interpreted incorrectly, the time out will not be charged and

the proper ruling will be enforced. Officials should all agree upon any controversial call in order to give each team the full benefit of each call.

### 10) Running

- a) The ball is spotted where the runner's feet are when the flag is pulled, not where the ball carrier has the ball. Forward progress will be measured by the player's front foot.
- b) The quarterback cannot directly run with the ball. The quarterback does have the ability to scramble in the back field, but cannot advance the ball beyond the line of scrimmage. The quarterback is the offensive player that receives the snap.
- c) Only direct handoffs behind the line of scrimmage are permitted. Handoffs may be in front, behind, or to the side of the offensive player, but must be behind the line of scrimmage. The offense may use multiple handoffs.
  - i) "Center Sneak" play – The ball must completely leave the center's hands on the snap and he/she must step backwards off the line of scrimmage in order to receive a direct handoff from the QB before advancing the ball.
- d) Absolutely NO laterals or pitches of any kind.
- e) "No-Run Zones," located 5 yards before each end zone and 5 yards on either side of midfield are designed to avoid short-yardage power-running situations. Teams are not allowed to run in these zones if the subsequent line is LIVE. (Reminder: Each offensive squad approaches only TWO No-Run Zones in each drive – one 5 yards from midfield to gain the first down, and one 5 yards from the goal line to score a TD).
- f) The player who takes the handoff can throw the ball from behind the line of scrimmage.
- g) Once the ball has been handed off in front, behind or to the side of the quarterback, all defensive players are eligible to rush.
- h) Runners may not Dive to advance the ball.
- i) Spinning is allowed, but players may not charge into defenders. Lateral moves to the left or right are permitted.
- j) Runners must make every attempt to avoid a collision with another player.
- k) No blocking or "screening" is allowed at any time.
- l) Offensive players must stop their motion once the ball has crossed the line of scrimmage. No running with the ball carrier.
- m) Flag Obstruction – All jerseys MUST be tucked in before play begins. The flags must be on the player's hips and free from obstruction. Deliberately obstructed flags will be considered flag guarding. If the ball carriers flags are out of position (not on his side)...he is down at the spot a defenders attempts to pull the flags.

### 11) Passing

- a) All passes must be from behind the line of scrimmage, thrown forward and received beyond the line scrimmage.
- b) Shovel passes are allowed, but must be received beyond the line of scrimmage.
- c) The quarterback has a seven-second "pass clock." If a pass is not thrown within the seven seconds, play is dead, the down is consumed and the ball is returned to the line of scrimmage. Once the ball is handed off, the 7-second rule no longer is in effect.
  - i) **If the QB is standing in the end zone at the end of the 7-second clock, the ball is returned to the line of scrimmage (LOS).**

### 12) Receiving

- a) All players are eligible to receive passes (including quarterback, if the ball has been handed off behind the line of
- b) Scrimmage).
- c) Only one player is allowed in motion at a time. All motion must be parallel to the line of scrimmage and no motion is permitted towards the line of scrimmage.
- d) A player must have a least one foot inbounds when making a reception.
- e) In the case of simultaneous possession by both an offensive and defensive player, possession is awarded to the offense.
- f) Interceptions change the possession of the ball at the point of interception. Interceptions are the only changes of possession that do not start on the 5-yard line.
- g) Interceptions are returnable but not on conversions after touchdowns.

### 13) Rushing the Passer

- a) All players who rush the passer must be a minimum of seven yards from the line of scrimmage when the ball is snapped. Any number of players can rush the quarterback. Players not rushing the quarterback may defend on the line of scrimmage.
- b) Once the ball is handed off, the seven-yard rule no longer is in effect and all defenders may go behind the line of scrimmage.

- c) A special marker, or the referee, will designate a Rush Line seven yards from the line of scrimmage. Defensive players should verify they are in the correct position with the official on every play.
  - i) A legal rush is:
    - (1) Any rush from a point 7 yards from the defensive line of scrimmage.
    - (2) A rush from anywhere on the field AFTER the ball has been handed off by the quarterback.
    - (3) If a rusher leaves the rush line early (breaks the 7 yard area), they may return to the rush line, reset and then legally rush the quarterback.
    - (4) If a rusher leaves the rush line early and the ball is handed off before they cross the line of scrimmage, they may legally rush the quarterback.
  - ii) b. A penalty may be called if:
    - (1) The rusher leaves the rush line before the snap crosses the line of scrimmage before a handoff or pass – Illegal Rush (5 yards LOS and first down).
    - (2) Any defensive player crosses the line of scrimmage before the ball is snapped – Offside (5 yards LOS and first down).
    - (3) Any defensive player, not lined up at the rush line crosses the line of scrimmage before the ball is passed or handed off – Illegal Rush (5 yards LOS and first down).
  - iii) c. Special circumstances:
    - (a) Teams are not required to rush the quarterback, seven second clock in effect.
    - (b) Teams are not required to identify their rusher before they play, however, if they do send a rusher, the rusher must verify that they are in the correct position 7 yards from the ball.
    - (c) If rusher leaves the 7-yard line before the snap, he/she may immediately drop back to act as defender with no offside penalty enforced.
- d) Players rushing the quarterback may attempt to block a pass; however, NO contact can be made with the quarterback in anyway. Blocking the pass or attempting to block the pass and then making contact with the passer will result in a roughing the passer penalty. Defender hand contacting the ball while in the QB's hand is considered contacting the QB and a penalty. A blocked pass after it leaves the QB's hand is a dead ball while behind the LOS and a live ball once it passes the LOS in the air (the ball can be caught by offensive or defensive player if it has crossed the LOS).
- e) The offense cannot impede the rusher in any way while QB is in pocket. The rusher has the right to a clear path to the quarterback, regardless of where they line up prior to the snap. If the "path or line" is occupied by a moving offensive player, then it is the offense's responsibility to avoid the rusher. Any disruption to the rusher's path and/or contact will result in an impeding the rusher penalty. If the offensive player does not move after the snap, then it is the rusher's responsibility to go around the offensive player and to avoid contact.
- f) A sack occurs if the quarterback's flags are pulled behind the line of scrimmage. The ball is placed where the quarterback's feet are when flag is pulled.
  - (1) A Safety is awarded if the sack takes place in the offensive team's end zone.

#### **14) Flag Pulling**

- a) A legal flag pull takes place when the ball carrier is in full possession of the ball.
- b) Defenders can dive to pull flags, but cannot tackle, hold or run through the ball carrier when pulling flags.
- c) It is illegal to attempt to strip or pull the ball from the ball carrier's possession at any time.
- d) If a player's flag inadvertently falls off during the play, the player is down immediately upon possession of the ball and the play ends.
- e) A defensive player may not intentionally pull the flags off of a player who is not in possession of the ball.
- f) Flag guarding is an attempt by the ball carrier to obstruct the defender's access to the flags by stiff arming, dropping the head, hand, arm or shoulder, or intentionally covering the flags with the football jersey.

#### **15) XVI. Formations**

- a) Offense must have a minimum of one player on the line of scrimmage (the center) and up to four players on the line of scrimmage. The quarterback must be off the line of scrimmage.
  - i) One player at a time may go in motion 1-yard behind and parallel to the line of scrimmage.
  - ii) No motion is allowed towards the line of scrimmage.
- b) Offensive players must come to a complete stop for one second before the ball is snapped unless he/she is the only player in motion.
- c) Movement by a player who is set or a player who runs toward the line of scrimmage while in motion is considered a false start.
- d) The center must snap the ball with a rapid and continuous motion between his/her legs to a player in the backfield, and the ball must completely leave his/her hands.

#### **16) XVII. Unsportsmanlike Conduct (Penalty is 10 yards and loss of down)**

- a) If the field monitor or referee witnesses any acts of intentional tackling, elbowing, cheap shots, blocking or any unsportsmanlike act, the game will be stopped and the player will be ejected from the game. The decision is made at the referee's discretion. No appeals will be considered. **FOUL PLAY WILL NOT BE TOLERATED!**

- e) Defenders are not allowed to run through the ball carrier when pulling flags.
- f) Fans must also adhere to good sportsmanship, as well:
  - i) Yell to cheer on your players, not to harass officials or other teams.
  - ii) Keep comments clean and profanity free.
  - iii) Compliment ALL players, not just one child or team.
  - iv) Fans are required to keep fields safe and kids friendly: Keep younger kids and equipment such as coolers, chairs and tents a minimum of 5 yards off the field sidelines and end zone area.
- g) **Only Head coach (designated by lanyard)** can talk to referee for Rules clarification. If anyone other than the designated head coach questions a call during the game he may be warned and ejected for a 2<sup>nd</sup> offense by referee. A warning includes a 10 yard penalty. Head coaches must be respectful when talking to referee officials. Head coaches violating the sportsmanship policy can be warned and ejected.

<b>3/4th Grade</b>	<b>NFL Peewee or NFL Junior</b>

**XVII. Team make up / Play Time / Practice Time**

1. Teams are made up of registered players. We reserve the right to add players to all teams that do not have 10 players.
2. Coaches must play all players 50 % of the game. Coaches must rotate players in and out. We have 2 suggested rotations that must be used unless another method is approved by NS office(all players on bench must be rotated in game using one of these methods) includes playoffs:
3. Play 5 on offense and have them stay on defense. On the next possession send in your next 5 who play offense and stay in for defense. Use this rotation on every time your team gets possession of the football.
4. Play 5 on offense and when you lose possession rotate 5 new players in to play defense. Use this rotation the entire game. In the second half switch the offensive players to defense and the defensive players to offense.
5. On Teams with more than 10 players, coaches must use similar rotations to make every effort to see that players share a significant amount of play time.
6. Coaches cannot limit players play time because a player missed practice.
7. Teams can practice once per week unless granted an exception by league. Practice should not last longer than 90 minutes.

**XX. Pre K / K Rule Differences**

1. Score is not kept at this level for season (only for playoffs)
2. Illegal Motion is not called in this division
3. Players can not cross LOS until the ball is handed off. No Blitzing.
4. There is no NORUN zone in the Pre K / k level of play (teams can run all the time)
5. While it is the coach’s decision...we encourage all players to touch ball and be part of the game.

**XXI. Coaches / Player Designated Area (CDA)**

1. CDA extends from goal line to midfield
2. Each team shall sit on separate side of midfield on same side of the field
3. A coach may legally leave the CDA to aid an injured player, to point out a scoring mistake, to request a timeout to ascertain where a correctable error needs to be rectified, or to seek information from the official during a timeout or intermission. .
4. Coaches or players found to be out of the CDA he will be given a warning, penalty, and or asked to leave
5. Head Coaches are responsible for conduct and behavior of players and fans
6. Flags worn by players must be a different color than shorts. Flag length cannot be alerted.

**XXI. Pitch / Toss Rule** After a Quarterback takes a snap from the center (shotgun or direct snap) he now has the option to toss the ball in an underhand motion or pitch the ball in a basketball chest pass type motion to another player who is behind him. This can only be done by the person taking the snap, only after taking the snap, only done behind the LOS, and only done once. The player receiving the toss / pitch can run with the ball, pass the ball to a teammate on the other side of the LOS, or directly hand off the ball behind the LOS to a teammate. Defenders not rushing from the 7 yard marker can cross the LOS once the ball carrier has possession of the ball
