Every child's party kicks off with a fun warm-up session, followed by some exciting soccer games before the main event, the "InterSoccer Match" where, depending on numbers, partygoers will be split into teams & take part in a fun-oriented mini tournament refereed by our InterSoccer coaches.

THE PARTY

- All age groups considered from 3 years +
- 2 hours in duration (if wish for longer this is certainly possible & can be discussed)
- Skills/techniques, fun games and matches.
- Tailored to your needs. We can also do multi sports if requested.
- Indoors or Outdoors depending on time of year

INTERSOCCER PROVIDES

- Coaches & all equipment
- 1 Medal / 1 t-shirt for Birthday child
- Lots of fun

COSTS (to birthday organiser)

- CHF 30 per child for 2 hours; CHF 35 per child for 3 hours
- Minimum fee for a party is CHF 360 (includes 12 children), NOT including facility hire. For example if less than 12 children CHF 360 will still be charged
- Coaches need to be booked a few weeks in advance normally, therefore we need to know at latest 1 week before party accurate numbers so we can increase or decrease coaches. This figure will be the minimum fee charged for (unless higher number than stated).
- If 35 or more children 10% discount will be applied
- Facility hire approximately CHF 60-90/per hour applies depending on availability
- Parents can book their own venue if prefer, assuming accessible to IS coaches and pay for the facility directly. In some areas it is more difficult for InterSoccer to reserve venues and in this case the parent will need to reserve through local commune.
- Final invoice will be sent by email after the party to birthday organiser & payment is due within 7 days.

FOOD / GIFTS

- Parents can bring own food/gifts if desired but this would be needed to be eaten in changing room or outdoors (depending on weather/facility rules-InterSoccer can clarify). A break can be taken or can finish approximately 10 minutes or more before end for the cake/snacks etc depending on demands/needs of birthday organiser.
- InterSoccer can provide additional InterSoccer medals(CHF 10) & t shirts (CHF 30) if required. InterSoccer provides 1 medal & 1 t shirt for birthday person only

TERMS & CONDITIONS

TO RESERVE PARTY

- Please note ideally InterSoccer recommend 2 months' notice for organising a party if facility needs to be reserved. This can change depending on region & dates.
- Please send email to info@intersoccer.ch confirming you wish to go ahead with the party with attached Birthday Reservation Form.
- In the meantime we kindly ask you to pay a deposit of CHF 150,-
- Please make the payment through our booking online system (preferable) or, if not a holder of a credit card, through bank transfer using the bank details below.
- To make the payment through booking online please follow the instructions on the link below <http://www.intersoccer.ch/Default.aspx?tabid=294190> and select BD party deposit as an option.
- Please send email to info@intersoccer.ch to confirm you have made the payment (if booked through booking online). If deposit paid through bank transfer, please send a scan of proof of payment that helps for tracing the payment and also state when paid.
- Attached Birthday Party form needs to be filled in, signed (by hand) and sent to info@intersoccer.ch together with the proof of payment/confirmation from Booking online system for the payment of CHF 150,- deposit. Once form and deposit payment received the reservations can commence.
- WE CANNOT PROCEED WITH BD PARTY ORGANISATION UNTIL SIGNED BIRTHDAY PARTY FORM AND DEPOSIT RECEIVED!!!
- If the party does NOT go ahead due to IS not finding facility/coaches, then the deposit is returned in full.
- Finding a venue can take a few hours of work. Unfortunately we have done this work in the past only for a parent to decide not to go ahead. We need to know a parent is fully committed for the party. Once facility is reserved we will be charged by facility if party doesn't go ahead due to parent cancellation. We do not want to be left as in the past with invoice for unused facility. Party organisation can take a number of hours to organise. Again if a parent cancels, we have to make sure our administration/organisation costs are covered.
- An email to info@intersoccer.ch must be sent 3-4 days before party to clarify final numbers and to clarify any final questions/information needed for both parties.
- Please do not forget this email, thank you.

RESPECTING FACILITY RULES

1. Please respect the rules. Party organiser is responsible for making sure that no litter is left at the facility. If the facility is not cleaned properly (including the toilets) & if IS is charged by the facility, the extra costs will be charged to the parents. It is suggested that the parents bring a dustpan & brush with them to the party just as a back-up (as not all facilities provide).
2. For indoor parties, food needs to be eaten in the changing room or outdoors (depending on weather), or another area if available, some facilities have catering areas. If the party is indoors, non-marking indoor sports shoes should be worn. No football boots are allowed indoors. Parents should take off outdoor shoes if in the gym.
3. No animals are allowed on the pitch or in the indoor halls.
4. Parents shall check that shoes are clean before entering indoor halls & remove shoes if necessary.

WEATHER

- Parties can be indoors or outdoors. If at an outdoor venue then the parties will go ahead in all weather conditions unless considered dangerous. Children need to make sure they bring rain jackets / warm clothing, even spare set of clothes in case of wet weather. In our experience we have never had to cancel a party yet and children have had a great time in all types of weather. We cannot cancel the party due to the weather as we have fixed hire costs in coaches and the facility.

CANCELLATIONS

Parties take a lot of time and effort including reserving coaches, booking a facility, reserving and planning for use of equipment. So that our time is not wasted we do have to charge cancellation fee.

- If a parent cancels the party less than 7 days before, your deposit of CHF 150.- will be lost.

- If a parent cancels the party 8-20 days before, CHF 100.- of the deposit will be kept.
- If a parent cancels the party 21 days or more before, CHF 75.- of the deposit will be kept.
- If IS cannot find a venue then deposit is refunded in full.
