

## Allstar Selection Process

A meeting will be held with the only Head Coaches at each division/age group towards the end of the regular season to make Allstar team selections. If the Head Coach is unable to attend meeting, one of his assistants should attend in his place.

At minimum, one League Board Member not affiliated with the division/age group should be present to document meeting and address any questions if needed. Each team will consist of 12 players and selected based upon the current in house season.

Current Travel season performances and prior season performances, including previous Allstar team selections, should not be determining factors of the current season Allstar selection process. Two additional players shall be selected and ranked as alternates/replacements if a player is unable to play on tournaments dates selected. There are no minimum or maximum number of players that can be selected from one team. Head Coaches are encouraged to bring stats/scorebook to support a player nomination and assist in player evaluations.

Head Coach should call/email parents to notify them of that their child was selected as an Allstar and confirm their availability for the tournament dates. If player is unavailable for the tournament dates, their spot will be given to the highest ranked alternate player first. Tournaments will be selected by Tournament Director and approved by board.
