To this end, please read and initial the points below, signifying your awareness and understanding of the mutual commitments, obligations and expectations which exist between TDFC, the player and the parent.

- I will not enter into arguments with the other team's parents, players, or coaches and always look to provide a good example of sportsmanship to my player(s).

- As a parent, I agree to allow **24 hours to pass after a game** before attempting to discuss anything specific about the game and/or my child's involvement in the game with the coach. I understand this is not only a coach guideline but a Club rule.

As a parent or player of TDFC, we are all required to sign the Player – Parent contract as part of acceptance to the club. **Violations of the above will be subject to the following:**

- Any coach or parent/spectator that persistently and belligerently yells at the referee will receive a one game suspension after review of reported incident. A second offense, in the same season, will result in a two-game suspension. A third offense will result in that coach or parent not being allowed to attend any games for the remainder of the season. Habitual behavior (carrying over more than one season) will be addressed by the Board. Habitual poor behavior will not be tolerated.
- Any coach or parent/spectator that is ejected / removed / asked to leave by the referee during the course of a game will receive a two-game suspension. A second offense, in the same season, will result in a four-game suspension. A third offense will result in that coach or parent not being allowed to attend any games for the remainder of the season. Habitual behavior (carrying over more than one season) will be addressed by the Board. Habitual poor behavior will not be tolerated.
- Any coach or parent that gets into a physical confrontation with the referee will not be allowed to attend any games for the remainder of the season. Any second offense to this will result in a lifetime ban.

2020-2021 PLAYER CONTRACT, CODE OF ETHICS

TDFC Zero Tolerance Policy

TDFC has a zero-tolerance policy regarding prejudice and discrimination. This policy applies to player, coach, parent, DOC and Board conduct. We use the FYSA Code of Ethics as our basis of behavior and this policy is intended to expand on the FYSA Code of Ethics.

We reject all forms of prejudice and discrimination, including those based on age, color, disability, gender, national origin, political affiliation, race, religion, and sexual orientation. We take individual and collective responsibility for helping to eliminate bias and discrimination and for increasing our own understanding of these issues through education, training, and interaction with others.

TDFC takes very seriously incidents when anyone makes remarks (slurs) against other players, coaches, parents or anyone. A "slur" is speech, for example, epithets, threats, verbal abuse, use of profanity or derogatory comments that make reference to real or perceived ethnicity, national origin, immigrant status, religious belief, gender, sexual orientation, age, disability, political affiliation, manner of speech, or any other physical or cultural characteristics.

Any player that makes a slur, against any individual for which there is conclusive proof, will be immediately removed from the game, practice, or activity. Conclusive proof includes being heard by a coach, referee, or other game official. Conclusive proof does not include an accusation by another player or parent. A second offense will result in a three-game suspension. A third offense will result in expulsion from the club.

Failure to comply may result in the suspension of your privilege to participate in FYSA/US Club Soccer sanctioned events, for the following periods:

1st offense: Suspension for a minimum thirty (30) days to maximum of (5) years.

2nd offense: Suspension for a minimum of one (1) year to a maximum of ten (10) years.

3rd offense: Suspension for a minimum of five (5) years to a maximum of fifty (50) years.

We have reviewed and read the FYSA Code of Ethics as set forth and agree to abide by the requirements set forth therein. We will act in a manner of respect at all practices, games, travel etc. and serve as role models to others to maintain the integrity of ourselves, our team, and all of TDFC. Players will conduct themselves in accordance with TDFC, FYSA, US Club Soccer, USYSA, USSF and FIFA rules at all times, or will be subject to disciplinary action.

Introduction

CONGRATULATIONS...and Welcome to your Tampa Dynamo FC team. Players were selected to their team because of characteristics exhibited during tryouts such as soccer skills, personality and work ethic. All of these factors played a role in selection to this team.

Now that you have made the team, the easy part is over with. For the next year, we will take the raw abilities, talent, and personalities exhibited and try to maximize them to their fullest. In order to do this, we need help from everyone (Parents/Players) in order to keep everything running smoothly.

The first step in that process is the instructions and guidelines in this manual. Please review it carefully, as this is an attempt to put the majority of our principles, policies, and ideals down on paper. So, both the parent and player will know what is expected of them throughout the season and what they can expect from us throughout the season.

Please note that this is only a guide and not all our principles and policies will be stated in this document. Consider this document a living document and as time passes, each memo or email that addresses a unique situation will be considered an addendum to this agreement and will become an integral part of the team policy.

Coaching Philosophy

Development, Development, Development...

The soccer player's development does not occur by winning a certain amount of games. Winning is a short-term reflection of the development process, but our ultimate goal is to create a competitive environment in which our young players will strive to reach the next level individually as well as collectively in terms of their skills and preparation.

Make no mistake, this is a competitive team and we are here to WIN. But, winning will result as the development takes its course. Because of this, we will try to balance the unique characteristics of the players' "psyche" with games that we should win to build confidence and games that we shouldn't win, which will motivate our players to work harder to get to the next level.

We also try to expand their horizons by traveling and playing teams from different areas of the state and out of state. This gives the players a unique bond that they gain from traveling, plus it allows them to learn how to adjust to different styles of play, different teams, and different weather conditions and depend on one another in game situations.

Registration Instructions

We are scheduled to have a Team Meeting with a CLUB REPRESENTATIVE to go over how to complete the registration process, uniform ordering and etc. Date and time of the team meeting will be provided shortly after tryouts.

Uniforms & Equipment

The team is REQUIRED to purchase the Tampa Dynamo FC Team Uniform Kit at a minimum. This kit includes a Home Uniform and an Away Uniform. Other items are available but come as an additional cost. We are required to order our own uniforms through Soccer.com with a specific link emailed to each player. The estimated cost for this required uniform kit is \$190(estimated). ****Note** 2019-2020 was a new uniform design. 2020-2021 is a carry over year. Players returning from 2019-2020 season that purchased a uniform, are not required to purchase a new uniform. All new players to the club are required to purchase a uniform for the 2020-2021 season.**

Equipment Notes

Every player will be required to purchase 2 training t-shirts, which is included in the uniform package. These can be ordered through an individual link sent after team acceptance and deposit is paid. Every player is responsible for having all the appropriate uniforms and equipment above plus shin guards, soccer cleats and a soccer ball. All equipment must be kept in the players' bag for both practices and games. Any player without proper and complete training equipment may not be allowed to participate in any team training sessions.

Communication

As with any group, the key to success is communication. Without good communication, we are almost certain to fail. The preferred method of communication for each team will be discussed at each team meeting. Methods could include email, text message, phone calls, frequent team meetings or some combination of all that best fits each team.

Financial Information

TOTAL SOCCER FEES

Total Soccer Fees are broken down into three categories.

1. **Base Club Fee** – This fee is the fee that each player MUST pay to the club and not the team. It includes FYSA/US Club Soccer Registration, Club Training, League Fees, Referee fees, etc. More details can be found in the "Cost Information" page found at the end of this handbook. The BASE Fee for the club is set at **\$750** per player (U-8 to U-10), **\$1,100** (U-11 to U-12), **\$1,200** (U-13 to U-19) this year.
2. **Team Uniform Kit Fee** – The approximate minimum kit is **\$190** per player.

- 3. Additional Team Fees** – This fee is the fee that covers all the teams' outside events that are NOT covered in the Base Club Fee. For example, all tournaments, outside events, additional training, equipment for training, coaching fees, coaching travel expenses, etc. This fee will show up in the team budget and will be divided among the number of players to generate the exact amount. It may change during the year.

TEAM BUDGET

Each team will need to put a team budget together. Items to consider for a team budget include:

- **Tournament Fees** – This could include actual tournament registration fees, tournament referee fees if not included in the registration fees, coaches travel expense, etc. This would cover personal travel expenses to/from tournament site. **Note: number and level of tournaments entered by each team will be determined by the coach and the DOC's. Most teams will participate in 2-3 tournaments, but some will attend up to 6-7 with various travel distances. Tournament Fees range from \$300 on the younger ages up to \$850 for "Showcase" tournaments for the older kids.
- **Training Equipment** – Coaches may need to purchase balls, cones, practice pennies, etc. to be used by the team for training and pre-game warm up.
- **2nd League Fee** – the basic club registration fee includes entry into the primary league so if the team will be playing in a second league then that registration and associated costs will be the responsibility of the team.
- **Other Fees** – Referee fees for scrimmages, etc.
- **One parent volunteer** will act as the team manager and be the liaison between the Club and team for various communications. The team manager will also have access to the team bank account where all referee fees and other team funds are kept and/or collected. This will count toward the volunteer commitment.

Sponsorships

The Club has a Sponsorship Policy in which a portion can be credited back towards the specific player or team that brought it in. Club representatives will be available during the initial team meeting to answer any questions about the options.

Financial Assistance

Financial Assistance forms are available on the website. To be considered for assistance, forms must be turned in by July 3, 2020.

Practice & Game Information

TDFC Competitive teams will practice a minimum of 2 days a week and in some cases 3 days a week. Once teams are formed, practice locations and days/times will be established. It will be on "Tuesday & Thursday" or "Monday & Wednesday" schedule with a typical time frame of 6:00 pm to 7:30 pm or 7:30pm to 9:00pm. Every player is also required to wear the team's official practice shirt during all training sessions. Every player is also required to have all the appropriate equipment for each training session. This includes but is not limited to soccer cleats, shin guards, soccer ball, water bottle and etc.

Every player is also required to show up to the training session as they would to a game. All equipment must be on and ready to go by the beginning of the session. This includes having the shirt tucked in, socks pulled up, all jewelry removed and all the other proper dress codes for soccer matches.

All players must report to practice in a timely fashion. We recommend that they arrive at the training site 10-15 minutes prior to the scheduled time. If a player is going to miss a training session, regardless of reason, the player (or parents for u12 and below) must call or email the coaching staff, well in advance (unless emergency) and inform of the absence. Contact information will be provided for coaches, managers and assistants.

If a player is going to be late, the player must call a member of the coaching staff to inform, however, tardiness as standard behavior is unacceptable (the players must understand this as part of their responsibility to the team).

To become a high-level soccer player, you must have high standards of discipline and respect for all other players, coaches, referees and teams.

During practice the player must strictly focus on the game of soccer. The player must listen attentively to the coach's instructions. Parents will not be allowed to interact with players or coaches during training or matches.

If a coach assigns a player a task (retrieve balls, cones, flags, nets, goals or any other training tools) they must do it and as quickly as possible.

Insulting teammates, coaches, parents, club officials or spectators will result in action through the TDFC disciplinary committee and may result in suspension or dismissal from the team.

Fighting with teammates, coaches, parents, club officials or spectators will result in an immediate suspension and will be sent to the TDFC disciplinary committee.

The previous two passages regarding fighting and misconduct also includes play fighting, joking around and anything that can be construed as detrimental to an individual player/person.

The players must bring the appropriate equipment to the game: cleats, shin guards, uniforms, tape, and water. The coaches generally bring extra supplies and medical kits, but it is suggested that every player have their own supplies.

Other Soccer Issues

ADDITIONAL TRAINING

Due to the busy schedule of this team, it is highly suggested that you don't seek outside training during the prime part of the team's schedule. Practices are structured to prepare the players for a certain type of conditioning and to get them to peak performance when Regional/State competitions come around. The Club will also offer conditioning training that is intended to supplement what is done at practice with Soccer-specific activities.

Any additional rigorous training could upset the flow of the team and their preparation as a group plus cause or aggravate potential injuries.

It is highly suggested to continually work on indirect soccer activities such as fitness, strength conditioning, and individual skills during any off time or busy time of the season. For example, juggling, ball control and etc. are all good and encouraged on a daily basis.

If the player still wants additional training despite the reasoning above, the player and parent must first get permission from the Coaches. Once the coaches discuss the situation, it might be appropriate to proceed with the additional training.

GUEST PLAYING

Guest playing is defined as playing or practicing for another team. Any players wishing to guest play for another team must first get approval from the Coach and then the DOC. As a general rule, TDFC does not allow players in the U12 and below age groups to guest play outside the club. But, unique circumstances can present themselves and they will be individually reviewed. If any coach has contacted you first about guest playing, they have BROKEN the "Poaching Rule" (see FYSA rules at www.FYSA.com). If this happens, then guest playing WILL NOT be allowed (NO EXCEPTIONS). All contact must go through the coaches about this.

FLORIDA YOUTH SOCCER ASSOCIATION CONCUSSION INFORMED CONSENT

Pursuant to Florida Statute 943.0438, this form must be signed by all youth participants and parent/legal guardians before participating in athletic competition or engaging in any practice, tryout, workout, or other physical activity associated with the youth's candidacy for an athletic team.

Concussion Information

A concussion is a brain injury and all brain injuries are serious. They are caused by a bump, blow, or jolt to the head, or by a blow to another part of the body with the force transmitted to the head. Concussions can range from mild to severe and can disrupt the way the brain normally works. Even though most concussions are mild, all concussions are potentially serious and may result in complications including prolonged brain damage and death if not recognized and managed properly. In other words, even a "ding" or a "bump" on the head can be serious. You cannot see a concussion and most sports concussions occur without loss of consciousness. Signs and symptoms of concussion may show up right after the injury or can take hours or days to fully appear. If your child reports any symptoms of concussion, or if you notice the symptoms or signs of concussion yourself, seek medical attention right away.

Signs and Symptoms Observed by Parents or Coaches

- Appears dazed or stunned.
- Forgets an instruction, is confused about an assignment or position, or is unsure of the game, score, or opponent.
- Moves clumsily.
- Answers questions slowly.
- Loses consciousness (even briefly).
- Shows mood, behavior, or personality changes.
- Can't recall events prior to or after a hit or fall.

Symptoms Reported by Youth Participants

- Headache or "pressure" in head.
- Nausea or vomiting
- Balance problems or dizziness, or double or blurry vision.
- Bothered by light or noise.
- Feeling sluggish, hazy, foggy, or groggy.
- Confusion, or concentration or memory problems.
- Just not "feeling right," or "feeling down."

What can happen if my child keeps on playing with a concussion or returns too soon?

Youth participants with the signs and symptoms of concussion must be removed from play immediately. Continuing to play with the signs and symptoms of a concussion leaves the youth participant especially vulnerable to greater injury. There is an increased risk of significant damage from a concussion for a period of time after that concussion occurs, particularly if the youth participant suffers another concussion before completely recovering from the first one (second impact syndrome). This can lead to prolonged recovery, or even to severe brain swelling with devastating and even fatal consequences. It is well known that adolescent or teenage athletes will often under report symptoms of injuries, and concussions are no different. As a result, education of administrators, coaches, parents and players are the key for youth participant's safety.

If you think your child has suffered a concussion

No athlete may return to activity after an apparent head injury or concussion, regardless of how mild it seems or how quickly symptoms clear, without written medical clearance from a Medical Doctor (MD) or Doctor of Osteopathic Medicine (DO) who is familiar with the Close observation of the youth participant should continue for several hours. Parent/Legal guardian should also inform their child's coach if they suspect their child may have a concussion. Remember it is better to miss one game than miss the whole season. When in doubt, the youth participant sits out!

Return to Practice and Competition

The Florida Youth Soccer Association follows *Florida Statute 943.0438*, provides that if an athlete suffers, or is suspected of having suffered, a concussion or head injury during a competition or practice, the youth participant must be immediately removed from the competition or practice and cannot return to practice or competition until a Health Care Professional has evaluated the youth participant and provided a written authorization to return to practice and competition. FYSA recommends that a youth participant not return to practice or competition the same day the athlete suffers or is suspected of suffering a concussion. FYSA also recommends that a youth participant's return to practice and competition should follow a graduated protocol under the supervision of the health care provider (MD or DO).
