

Thank You

Thank you for your interest in our club and the upcoming travel soccer season. FTSC has worked and will continue to work closely with local, state and sport officials with regards to re-opening youth sports in our community. Our tryout model has been modified this year in observation of the current public health concerns. We intend to tryout in smaller groups and take carefully considered actions to ensure a safe environment for all. For more information on our response to COVID-19 and youth soccer please visit www.franklinsoccer.com/covid19.

Before you arrive to the tryout

Before you arrive to the tryout please ensure you have the following with you.

Forms to be printed and completed, available at www.franklinsoccer.com/Default.aspx?tabid=276424 (Travel Tryouts page)

- FTSC Tryouts Player Check-In form
- FTSC COVID-19 Screening Questionnaire
- FTSC NJYS COVID-19 Holder Harmless Waiver

Equipment

- Soccer shoes and shin guards, come dressed to play
- Existing players wear your home or away uniform jersey
- Water bottle clearly marked with first and last name
- Face mask
- No backpacks or other non-medical belongings

Check-In

Refer to site map at bottom of this document for further context.

Arrive at 6PM with all required materials, proceed to furthest parking in-front of the two turf fields. Please park in the lot and accompany your child to the check-in area if your child is under 12 years old.

The check-in area will be signed and marked with cones, please form a line maintaining six feet distance between players. Masks are required.

The check-in process:

1. Temperature check (100.4 and greater will not be admitted to tryout)
2. Inspection and collection of paperwork (3 forms)
3. Player will be given a number bib and safety pin to apply to shirt
4. The club safety volunteer will direct the player onto the field. Each player will have a marked area in which to wait, each player while waiting will be six feet apart.
5. Parents are asked to return to their cars
6. Only players and club personnel will be permitted on the field

On the field

Promptly at 6:30PM the FTSC session runners will begin the workout session. All activities are designed to evaluate the players athletic ability and soccer fundamentals appropriate for the age. We will not be doing any 1v1's, contact short sided drills, goalkeeping or scrimmages, players will keep distance.

Face masks are not required for the players during the session.

All FTSC staff will always wear face masks, regardless of distance to each other or players.

The FTSC session runners include:

- Drill runners
- Evaluators
- Safety team (to monitor social distancing, chase balls, clean items)

All equipment (balls, cones, etc) will be provided by FTSC and cleaned before and after session. Only FTSC members will handle these items.

Dismissal

At the conclusion of the tryout the session runners will direct each player to collect their belongings, put on masks and in an orderly manner players will be released via the designated field exit upon a visual and vocal confirmation with parent. Players will keep their number bibs; all parents are to wear masks and keep a safe distance in grass area. There will be no lingering on the field by players or families and the club will communicate tryout results via email.

Next Steps

Due to the compressed timeline for tryouts and team league registration we will be communicating player status within two weeks of the tryouts. All follow up questions can be directed to tryouts@franklinsoccer.com. We thank you for your partnership and cooperation. Our club is a non-profit community soccer organization with the mission of providing quality youth athletics to our community's youth. We treasure our partnership with the township, families and support organizations.
