Mudsock Youth Football Program

Goal: The purpose of the Mudsock Youth Football program is:

- To develop and maintain a properly supervised football league for Fishers youth in Kindergarten to sixth grades.
- To promote improved community relations by demonstrating an interest in the youth of our community.
- To encourage physical and mental growth through keen competition.
- To emphasize good citizenship and scholastic achievement.
- To nurture good sportsmanship and a sense of fair play.

Divisions: Our football league is divided into different levels, based upon the player's grade in the upcoming school year.

Flag: The flag league is divided into separate Kindergarten/First and Second grade leagues. This is a non-contact league.

Third Grade Rookie Tackle: This league is based on USA Football's Rookie Tackle program. The purpose is to help start a transition from the flag leagues and prepare athletes for 11 vs. 11 football. Games are 7 vs. 7 and all players have an opportunity to carry the football.

4th Grade Modified Tackle: 7 vs. 7 tackle football with rules transitioned towards NFHS (high school) rules

5th and 6th Grade Tackle Rec League: The 5th and 6th grade league is to prepare athletes for Junior High football and is largely based on the Indiana High School Athletic Association's football rules. It is 11 on 11 full contact football. Weight limits exist for ball carriers.

Knights: The travel program provides our youth players with an opportunity to compete at the highest level against the best competition from other leagues in Central Indiana and around the state. The travel football program is available to 5th and 6th grade tackle players.
