Recreational League Rules and Regulations for Use of School Property

Drinks and Snacks: Athletes are responsible to bring their own water bottles to practices and games. Our league has experienced significant problems with food and drinks being brought onto school property. Our host schools prohibit any type of food or drinks due to the carpeted floors. Drinks and snacks are not allowed in our facilities unless kept in an authorized concession area. The Basketball Board will have the right to take whatever action it deems appropriate to deal with any type of offense or conduct including, but not limited to, issuing warnings, suspensions, and/or removal of a player or coach from the league and/or barring a spectator from any league games.

Facilities: We need to show the utmost care and respect for the school facilities that our leagues utilize. Players, coaches, parents, siblings and other spectators need to be careful not to damage anything on school property. Coaches need to admonish parents to control their children's activities before and after games. The Basketball Board will have the right to take whatever action it deems appropriate to deal with any type of offense or conduct including, but not limited to, issuing warnings, suspensions, and/or removal of a player or coach from the league and/or barring a spectator from any league games.

- DO NOT PROP OPEN OUTSIDE DOORS TO THE SCHOOL – you must ask a parent to sit by the doors and let others players and parents into the gym.
- Do not allow unaccompanied children to leave the gymnasium.
- Do not touch, mark on or tamper with displays, bulletin boards, chalk and dry erase boards.
- Coaches, parents and other spectators should not wander around school property.

- Participants and spectators must stay in the gym until the game or practice is over.
- Do not climb or sit on the top of bleachers that aren't pulled out.
- Stay away from any nets, pads or other equipment in the gymnasium.
- Keep away from "stage" areas.
- Please help clean up after yourselves and your children following each game and/or practice.
- Please leave the building looking the same as when you entered.

Games

Game Length: Four 8-minute quarters (4-minute half time). No Overtime during regular season. During the season ending tournament there will be a 2:00 overtime period. Subsequent overtime periods will be played until a winner is decided.

Game Clock: Clock runs continuously. Clock will stop during foul shots and during the last two minutes of fourth quarter, last 30 seconds of overtime period and at the referee's discretion. The clock will run for the last 2 minutes of games in the K/1st grade division. No regular season game may extend sixty (60) minutes past the scheduled starting time, regardless of how much time is left on the clock.

Score Keeping: Normal scoring is kept throughout the game for all leagues.

Scoreboard and Score Sheets: Each gym is equipped with a scoreboard. Gym coordinators will set up the scoreboard controls each game day and put away the scoreboard controls at the end of the day. Scoresheets (to be provided at the scorer's table) need to be used for each game to list the player's names and to track playing time, scoring and fouls. Each team must provide one assistant coach or parent to sit at the scorer's table and either run the clock or keep the score sheet. Leave the score sheets at the scorer's table to be picked up by gym coordinators at the end of each day.

Substitutions: Clock should stop at the 4:00 mark of each quarter to allow substitutions. Substitutions may be made at this time or at the end of the quarter only. Exceptions: (i) if a player is injured, or (ii) if a player fouls out (2nd-8th grade). K/1st grade players cannot foul out of a game. Coaches and Referees will use these times as teaching opportunities. Intentional fouling in K/1st grade levels will result in the player being substituted. If an official call a time out for a player injury, that player must sit out until a substitution can be made (i.e. between quarters, another player injury, a player foul shout or at the four (4) minute mark in the fourth quarter).

Foul Shots:

K/1st Grade: No free throws will be shot.

2nd Grade – 6th Grade: Will shoot free throws from 12 feet (shooter may cross the free throw line after releasing the ball but cannot actively attempt to rebound the ball until it hits the rim).

7th/8th Grade: Will shoot from 15 feet.

Players may not enter the lane to rebound until the ball hits the rim. Free throws will only be shot on shooting fouls. IHSAA rules apply to number of free throws. All other fouls, up to six, will result in

possession of the ball, out of bounds nearest the spot of infraction. On the 7th team foul we will shoot 1&1, on 10th team foul and thereafter, all fouls will result in 2 shots.

Officiating:

K/1 Grade: It is anticipated that we will have a referee whose focus will be on facilitating the game as opposed to simply calling violations. This is a recreational league with a focus on teaching fundamental basketball skills and rules for all the players. The referee will use reasonable judgment so that the game doesn't stop every few seconds but be consistent and fair to both your team and the opposing team. The referee will use the whistle to stop play and give a brief explanation of the call so that you can instruct all of the players on the court as to what happened. **DO NOT ARGUE OR DEBATE WITH THE REFEREE OVER A CALL DURING A GAME.**

2nd - 8th Grade: Officials will be assigned for each game. The official's decision is final. **DO NOT ARGUE OR DEBATE WITH THE REFEREE OVER A CALL DURING A GAME.**

Sportsmanship: Unsportsmanlike conduct, including "trash talking" or any unsportsmanlike physical contact by players, coaches or parents will not be tolerated. Please report any offensive conduct to the league commissioner, the gym coordinator, or a Basketball Board Member as soon as possible. Actions by any player, coach or spectator demonstrating un-sportsmanlike conduct before, during or after a game or practice will be subject to review by the Basketball Board.

The Basketball Board has the right to take whatever action it deems appropriate to deal with any type of unsportsmanlike conduct including, but not limited to, issuing warnings, suspension, and/or removal of a player or coach from the league and/or barring a spectator from any league games. Any player, coach or spectator who is cited by a referee for unsportsmanlike conduct may either be issued a warning, removed from the game, or asked to leave the facility. Failure to comply with a referee's decision may result in the forfeiture of the game. Failure of a parent to comply with a referee's decision may result in the removal of that parent's child from the game and/or league. Decisions by a referee and/or Board Members on these matters are FINAL.

Timeouts: One 60 second timeout per half will be allowed. One 60 Second time out will be added for each overtime period played and timeouts do NOT carry over (meaning if you don't use your 2nd half timeout, you do not get 2 timeouts for overtime).

Lane Violation: Offensive players are permitted to remain in the lane for five (5) seconds instead of the usual three (3) second rule. By rule, the 5-second count cannot start until the ball is advanced past half court and will end when the offense shoots the ball. It may begin again when rebounded by the offensive team. There is no 5 second violation for the defense. This is at the sole discretion of the referee to call.

Defense: Man to Man Defense only. No Zone defense will be allowed. It is up to the sole discretion of the official to determine if any of the players are playing a zone or double teaming. Players at this age lose their assignments and end up double teaming or playing zone. The official will determine if an advantage was created or if the intent was to gain an advantage. If the official feels players are abusing the zone/double teaming defense rule, the first two violations of each half will be warnings. Penalty for the 3rd violation and subsequent violations of each half will be 2 FTs and the ball at halfcourt. No double teaming allowed, except within 15' of the goal and in a helping role on an

offensive player with the ball. If two offensive players are within 6' of each other and a double team occurs, the defense will not be called for double teaming.

Stealing:

K/1st Grade: Players may not steal the dribble except when the player dribbling is inside the lane. Players may not steal the ball if the offensive player picks up her dribble anywhere on the court unless she is passing the ball. The ball cannot be taken from the offensive player's hands. Players may steal the basketball off a pass anywhere on the floor. Since players are not permitted to steal the ball off the dribble outside of the lane, players should be coached to not hover at half court, but should let the offensive team advance the ball past the half court line. If a player steals the dribble, stop the game and give the ball back to the offensive team. If an offensive player loses control of the ball, it is a free ball and can be taken by the defense.

2nd/3rd Grade: There is to be no stealing of the ball (dribbled or held) above the free throw line extended. If a team is ahead by 10 points or more, stealing of the ball (dribbled or held) may only occur when the ball enters the lane (FT line and below, INSIDE the lane lines). Once the lead is under 10 points, we will revert back to allowing steals outside the lane but below the FT line extended. Stealing above the FT line will result in the official blowing the play dead immediately and giving the ball back to the offended team at the out of bounds spot closest to where the violation occurred.

The first two violations will be warnings. Penalty for the 3rd violation and subsequent violations will be 2 FTs and the ball at half court. Players may steal the basketball off a pass anywhere on the floor. Any loose ball or pass, regardless of where it is on the court, may be picked up by either team or stolen. The no guarding in the backcourt rule still applies once possession of the ball is gained.

4th – 8th Grade: Players may steal the ball off of either the pass or the dribble.

Ball Handling:

K/1st Grade: All players must have an opportunity to bring the ball up the court.

2nd – 8th Grade: The player has 10 seconds to get the ball over the half court line. A player has 5 seconds to hold the ball then needs to pass or shoot the ball. If the player does not release the ball after 5 seconds the ball will be given to the opposing team. This rule will only be enforced in the 4th grade through junior high leagues.

Pressing:

K/1st: No full court pressing. The defense cannot guard the offense until the offensive player has both feet and the ball past half court. Once the ball changes possession, the defensive team must return to their defensive side of the court before they can defend their player. If the offensive player uses this opportunity to fast break and loses the ball before half court, it will be up to the discretion of the official to determine if the ball was just lost or if the defense purposely caused the turnover. If a lost ball, this is a free ball.

2nd/3rd Grade: Pressing will be allowed ONLY in final 30 seconds of 4th quarter and last 1 minute of any overtime period. There is to be NO pressing by a team that has a 10-point lead or more. The trailing team can press anytime under the 30 second mark and last minute of OT.

4th-8th Grade: Pressing will be allowed ONLY in final 2:00 of 4th quarter and last 1 minute of any

overtime period. There is to be NO pressing by a team that has a 10-point lead or more. The trailing team can press anytime under the 2:00 mark and last minute of OT.

For clarity when pressing is not allowed: The defense cannot guard the offensive player until the player has both feet and the ball past half court. Players will have 10 seconds to advance the ball past the half court line. Once the ball changes possession, the defensive team must return to their defensive side of the court before they can defend their player. If the offensive player uses this opportunity to fast break and loses the ball before half court, it will be up to the discretion of the official to determine if the ball was just lost or if the defense purposely caused the turnover. If it is a lost ball, it is a free ball.

Individual Player Scoring: No player is permitted to score more than six (6) points in a quarter. Players who score this many points do not need to be removed from the game, they simply are not permitted to shoot the ball. This is an instructional league and scoring by all players should be encouraged by coaches and parents. In the case where foul shots would cause a player to have the opportunity to score more than 6 points in the quarter, the free throws will be allowed and counted. Any baskets scored by a player during live play that result in them scoring more than 6 points will be nullified and result in a turnover. The ball should be given to the defensive team for inbounds throw in. Coaches are expected to monitor this with the scorekeeper. Scorekeeper should notify the Referee if any player reaches 6 points in a quarter.

K/1st Grade: Score will be kept but no stats on team performance. No tournament will be held. Instead, an extra regular season game will be played.

2nd – 8th Grade: Score and win/loss records will be kept. Win/Loss records will be used for placement in season-ending tournament. In the event of identical number of wins in regular season, first tie breaker will be head-to-head match-up between the teams. The second tie break will be determined by # of ties (2 points for wins, 1 point for ties). In the event two teams are still tied, a coin flip will determine the higher seed.

Conduct Warnings: A Code of Conduct by all parents will be signed for their player to play in the league. Unsportsmanlike conduct by any player, coach or fan will result in a warning. A second offense will result in removal from the gym. Third offense will result in removal from the league.

General Rules: The league will follow all IHSAA rules with the exception of those previously listed. Any questions regarding rules during the season should be presented to your League Commissioner for clarification. You can purchase the IHSAA rule books for basketball and other sports at:
