

General FAQ:

What is S.P.O.R.T.S?

S.P.O.R.T.S. is the umbrella organization to individual member leagues including youth soccer, boys basketball, girls basketball, baseball, softball, football, cheer, track/cross country, girls volleyball, boys volleyball, boys lacrosse, girls lacrosse and rugby.

As an umbrella organization, S.P.O.R.T.S. provides the leagues and families a centralized means of registration, communication, scheduling and field/facility distribution.

S.P.O.R.T.S., while operating as a separate entity, works closely with the City of Fishers and the HSE School District ensuring that all children in the district have an opportunity to participate in youth sports at a local facility. These have been successful partnerships since 1987.

The leagues, under the S.P.O.R.T.S. umbrella, are unique to other youth sports programs in that all participants are local (***must reside in the HSE School District***) and all positions, from coaches to board members are volunteers. Our programs would not exist without the time, energy and passion so many parents dedicate to the youth in our community.

When are open registration periods and what sports are included?

Spring Sports: January 1-31st, Sports include: baseball, lacrosse, rugby, soccer, softball, track and field.

Fall Sports: May 1st-31st, Sports include: baseball, cheer, cross country, football, soccer, softball, volleyball.
