The undersigned umpire has been informed and understands that Little League Insurance is provided for volunteer umpires who work without pay, and that umpires who receive compensation for their work are not covered under that insurance. SRLI works with both volunteer umpires and umpires who work for pay as independent contractors. The undersigned umpire, by placing his or her initials in the appropriate space below, and signing this form has elected to act as either a volunteer umpire with insurance coverage or as a paid independent contractor, in which event no insurance is provided by the League. A parent or guardian's signature and initials also required if under age 18. Also, the state of California specifically excludes umpires and referees from Workman Compensation claims.
