

Boys Basketball

Goal: The primary goal of the league is to develop your son's joy of basketball and improve his skills. We strive to create a team approach/spirit, improve understanding of the fundamentals and practice within healthy competition.

Recreational League: Kindergarten and 1st grade have single conferences. Grades 2-6 have 2 conferences, Eastern and Western. Each conference attempts to match skill sets so all players have an enjoyable experience. The Eastern conference is more competitive than the Western.

Junior High League: The JH league is combined for 7th and 8th graders and has one conference. Teams are formed and practice begins following school team selections- typically early November.

Travel League: For those players interested, a travel league exists for grades 3-6. Each grade is split by the appropriate high school [HSE or Fishers] and within each grade there may be up to 3 different teams. The evaluations will be performed by the HSE and Fishers high school coaches. The travel league will compete with nearby towns. Players selected for travel teams will not play in the recreational league.

Rec Plus: Now in its second year, we are targeting families in our rec program that want their son to play more basketball, but don't want the commitment of our travel program. Our Rec Plus teams will have no interference or competition with our rec program. Teams will practice once a week on either Friday evening or Saturday afternoon at one of our schools and after rec games are completed. Games will be held primarily on Sundays (may have a few Saturday evening games due to scheduling conflicts). Boys basketball board will hold an open tryout for anyone interested, and have players go through evaluations. Boys basketball board will be responsible for selecting teams. Initial goal is to form at least 1 team in grades 3-6. Boys basketball will look to expand offering to first and second grades in the future. All players must be in our rec program in order to try out for one of our Rec Plus teams. Games will be played against other community all-star teams.

Registration: Register online at www.myathletics.com. Registration for boys basketball begins in August and closes at the end of September for recreation league grades 1-6. JH league registration remains open through October. After registration is closed, a waiting list will be started.
