

## RUSH EDUCATION EVENTS – COACH DEVELOPMENT HANGOUTS

The Chicago Rush Coach Development Webinar series has been designed to assist our coaching staff in a variety of themes and topics relevant to each club and community. The goal of the Rush Education Events is to give each individual the opportunity to enhance their knowledge, improve their coaching ability and share good practice with each other.

Hangouts will take place on a monthly basis throughout the year. These will be presented via the Google Hangout platform. Each presentation will be approximately 20-30 minutes with 10-15 minutes for discussion at the end. We are mindful of your busy schedules so will ensure to start and finish on time.

ALL CHICAGO RUSH COACHING STAFF ARE ASKED TO ATTEND AND PARTICIPATE IN EACH WEBINAR. This includes bringing notes and questions to discuss. We want the experience to be interactive, rather than a lecture style presentation. It is our intention to grow the series to include guest speakers and presenters from outwith the club and we can only achieve this with your participation and involvement.
