

## Field layout and goal kick rules for U9/U10 Select program

### Field modifications:

- 2 broken lines 12 yards either side of the center spot

### Modified Laws:

#### Goal kicks

1. The team without the ball is not permitted to defend inside the dotted line until the ball has been touched by two players on the team taking the goal kick.
2. After the ball has been touched by two players on the team taking the goal kick, the team without the ball may send only one player into the defensive third (inside the dotted line).
3. Once the ball leaves the defensive third, any player from any team may go anywhere on the field.

#### Offsides

1. The dotted line in the opponent's half represents the offside line.

#### Goalkeeper punts

1. Goalkeeper's punts may not cross the dotted line in the opponent's half on the fly.
2. The penalty for a GK punt that crosses the line is an indirect free kick for the opposing team at the point the ball crossed the line.

#### Miscellaneous

1. Opposing players must withdraw a minimum of 8 yards from a free kick, corner kick or kick off.
2. Other laws and playing rules are consistent with IYSA U11 and 12 .
