

Michigan Rush Families,

Super Y League, founded in 1999, is dedicated to the progression of players. Regional Leagues compete over the summer and play a National Championship Series over the winter break. Michigan Rush will compete in the regional games with out-of-state teams, as well as, other Michigan clubs including: Midwest United, Nationals, Kingdom, Liverpool, MI Chill and others, providing quality competition for Michigan Rush players.

Michigan Rush is excited to offer the opportunity to participate in *Super Y* by leveraging the unique structure of the Michigan Rush Select Program. This opportunity will allow the collective Michigan Rush geographies to bring top players from each local club together and provide an excellent development opportunity for the players who need and want more.

Teams – *Super Y* teams are available to both boys and girls in the following age groups: We will look to expand to all age groups next year if interest is strong enough. These age groups were chosen based on earlier requested feedback. We felt confident these teams would form and be a strong representation of our club for our inaugural year. Our teams will be selected through a process of Coaches' recommendations and player scouting at our Club Tournament and throughout the Spring League Season and State Cup.
