## INDIVIDUAL DEVELOPMENT

by Kyle Lownds / May 1<sup>st</sup> 2019

We are in our 7<sup>th</sup> week of the virtual learning center and this program has evolved every step of the way. From its inception, to where it is now, we were providing our players with ways to continue to develop the technical, tactical, mental, and physical aspects of their game.

Congratulations to all the players that have gone above and beyond and have received a Beyond Pulse Smart Belt and the opportunity to participate in a nation-wide competition. Keep up the great work and thank you all for keeping soccer alive in the Coulee Region! We know that each family is doing their best to at this time – please let us know if we can do anything to help you during these unprecedented times.

## CAP OPPORTUNITIES

by Kyle Lownds / May 1<sup>st</sup> 2019

We had a great turn out for our meeting with Josh Tyler as well as the start to our College Coach Chats that we are teaming up with Rush WI for. I highly recommend any player interested in playing college soccer hop on any, if not all, of those chats to gain a coach's perspective on what it takes to play at the next level. Even if you're a female, listen to what men's coaches have to say and vice versa! Take advantage of all the opportunities you have to learn. These occur every Thursday in May at 5PM. Join us for some great conversatio

We want to see our players in action! Send pictures and videos to [socialmedia@rushwiwest.com](mailto:socialmedia@rushwiwest.com)
