Winter:Focus will be on Futsal

- Futsal is amazing for player development as the conditions of the sport force players to play in tight spaces, making them more technical, helping them learn to transition faster, and to be more creative in finding solutions to the problems players will face. Plus, it is a lot of fun!

Details:

- Jackson Futsal League (**included in club fees**) 7 games played on Friday evenings or Sunday afternoons/evenings
- 1 training session per week, beginning January 4th-March 1st, 9 60-minute training sessions at different local locations lead by team coach
- 1 Player evaluation with team coach to update player on progress with intention of inspiring the player to want to improve and love the game more

* As a club, we think it important for players to have the opportunities to participate in other sports and activities. We feel with only 1 training session and game per week, players will have the opportunity to participate in other things they feel passionate about.

For players who want more - Players will have access to the Rush Tutor program which allows Rush players to train as much as they want with other Rush teams. Upon coach's recommendation, players will train up, or down, an age group to give them an appropriate level of play. This may be used to challenge a player, or, give a player the additional confidence they need.
