RE: Cancellation of Spring Soccer Season / Refund

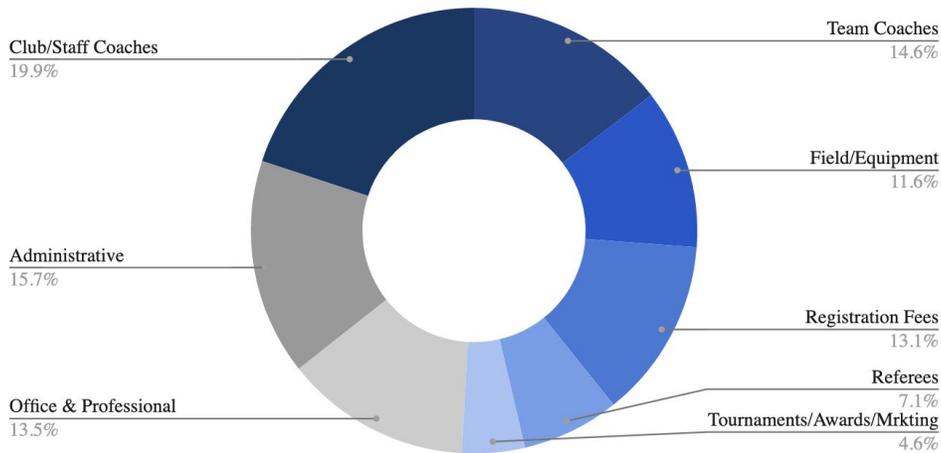

As of April 28, with great sadness, the Colorado Soccer Association (CSA) has canceled the spring soccer season. We understand these are difficult financial times and want to support our membership and ensure the club's survival. Our club's 40-year existence is important to the overall fabric of our community, along with a host of other youth non-profit organizations.

**Is NorCo Rush offering refunds for the spring?** CSA is recommending clubs do not provide refunds. After much discussion, NorCo Rush will be giving a refund option. Providing a full refund for the spring season is not financially feasible if we wish to continue to exist. NorCo Rush Board of Directors has decided to refund membership 50% of what each member paid for the spring season. Each NorCo Rush family has the option to donate their spring season refund. Doing so, NorCo Rush would be in a better financial position (unrecoupable operating expenses) going into the 2020-2021 season. To expedite these refunds or donations, please click on the following link to provide the required information - [GOOGLE FORM REFUND/DONATION REQUEST](#). The deadline to process your refund is May 31, 2020.

As a nonprofit, the club only brings in what it uses . . . providing a 50% refund/donation option, will help to ensure that we will be here when it is safe to play.

We will return at a higher level thanks to the work of Matt, our staff, our coaches, and our players. The board and staff have not left. Watch for details on an improved 2020-2021 season and player placement. Lots of work to be done . . . and we can't wait!

The Board of Directors fully understands that this is a difficult time for everyone both emotionally and financially. We hope you are all safe . . . feel free to contact us with any questions.
