

## **Spring MN Rush Recreational Soccer Request for Financial Assistance**

Financial assistance is available to assist those players who are not able to afford the total costs associated with playing on their recreation league team. Therefore, MN Rush allots a specific amount of money each year to help those families with recreation league players who need financial assistance.

Financial assistance for the spring recreation program is on a first-come, first served basis and once the financial assistance funds are gone for the spring season, no more aid can be given. In order to spread the assistance as far as possible, each family seeking aid must pay 40% of the total cost for their player.

The primary criterion for qualifying for financial assistance is eligibility/participation in the Free and Reduced Lunch Program. When applying for financial assistance, please submit a copy of your letter with this request. In lieu of proof of eligibility/participation in the Free and Reduced Lunch Program, applicants for assistance are asked to write a letter of explanation as to why they are seeking consideration for aid.

Applicants for financial assistance must be made by a player's parent or guardian. Financial assistance applications will be held in confidence between the parent/guardian and MN Rush.
