

## **Passers Tournament Overtime Rules**

If the score of a match is tied after regulation, there will be TWO additional periods, each 5 minutes in duration. The teams will switch sides at the end of the first additional period, with one minute between the additional periods.

If still tied after the TWO additional periods, the winner of the match will be determined by kicks from the penalty mark. This will be a kick on a pug goal, from 8 yards from the center of the pug goal. No goalkeeper is used.

The coach must provide a list of 6 players who will take the kicks in order.

- Kickers will alternate between each team's players in the order listed
- The total score after alternating kicks by the first 5 players from each team will decide the victor
- If still tied after five kicks by each team, kicks from the mark will continue in groups of five until a winner is determined

NOTE: There will NOT be a coin flip to determine kicking order. The team kicking first shall be the same as in the second and fourth quarters of the game.

NOTE: If after using all 6 kickers, the team will start over with the first kicker on the list.
