

Print Player Line Up

Log into ayso498.org, if you are coaching a your child, your can select “Visit Team Page” under their name for the current season. Otherwise, you can select “Home” then the “Team Central” tab.

Once your team page is visible, select Roster, then “Print Team Line Up”. Once the line-up appears, press the printer icon to print. Also remember to update your player numbers so they will automatically appear on the Line Up.
