

14U Coach Course Section 1 Policy

The Area or Section Coach Administrator must approve all 14U Coach Courses in their area/section.

The candidates must first complete the online portion of the course before they can attend the classroom/field session and submit their training session plan.

Candidates are required to send their Stage 1-4 training plans to the lead instructor's five days before their field session so they can get feedback.

Each candidate will be evaluated coaching the Stage 3 of their training session plan at the field session.

All course field session evaluators are required to be coach instructors 14U coach certified and above. The ratio should be one evaluator to every 8 candidates or better.

Thirteen 14U players will be available to help with the Lead Instructor demonstrate the (one hour) Stage 1, 2 & 3 field session demonstration and the individual training plan evaluations.
