

## **Section 1 Coach Instructor Requirements**

### ***Base Requirements***

- Coach Instructor Candidates must participate in administering, explaining and justifying quiz answers
- Coach Instructor Candidate must teach either the “Coaching Methodology” or Quality Training” classroom modules.
- Coach Instructor Candidates must conduct one of the four individual activities for the field session.
- Coach Instructor Candidate must conduct either the Stage 2 or Stage 3 portion of the Passing/Receiving Training Plan.

### ***Classroom Modules***

Coach Instructor candidates must participate in administering the quiz at the beginning of the course. The Coach Instructor candidate should help explain, clarify or justify a portion of the questions or answers to the quiz at near the beginning of the 12 U Coach Course. It is recommended that the Coach Instructor Candidate be given some of the questions where they will solicit answers from Coaches to predetermined quiz questions, clarify answers and explain importance of the question concept to coaching.

Coach Instructor Candidates must instruct either the “Coaching Methodology” or “Quality Training” Classroom modules. Coach Instructor candidate should use the current 12U Coach Course PowerPoint presentation.

### ***Field Session Modules***

Coach Instructor Candidates must conduct one of the Instructor Model Activities with a focus on technical development.

Coach Instructor Candidates must conduct either the Stage 2 or Stage 3 portion of the training session.
