

19:05:35 From PAULA MUESSE : BGC Bug fix 3/24

19:07:31 From Shawn Mahloch : e4 = RP?

19:07:51 From Jane Prado : Yes

19:08:40 From Jaime Bencia : RP – Registration Platform
E4 – New eAYSO

19:09:00 From Jaime Bencia : Registration Platform = Sports Connect Registration Platform

19:09:11 From Jane Prado : Thank you Jaime, just about to correct myself

19:09:17 From Jaime Bencia : :)

19:13:11 From ivanm : what is different about the Board Member play type?

19:15:31 From Shawn Mahloch : Can we extend the coupon expiration date?

19:16:11 From Krista Skinner : Would our current settings transfer from current setup?

19:16:13 From Jaime Bencia : Hey Shawn. You should be able to extend the date. Even if you're unable, you're always able to create a new coupon for the same family.

19:16:26 From Shawn Mahloch : Thx

19:16:29 From Jaime Bencia : Ivan - I'll let Joey answer your question. Unsure of the answer

19:17:24 From Gregg Deluga : I'm positive now... yes can extend date on coupon now. just tested

19:17:51 From Jaime Bencia : Thanks Gregg!

19:27:43 From Shawn Mahloch : We usually have a few coaches that have not completed training and thus not certified at the time of team formation. Will this prevent us from activating a team?

19:28:16 From Jaime Bencia : I believe Joey will be getting to that in a moment

19:29:30 From Jane Prado : We have a Section recommendation that Joey will tell you about

19:29:39 From Krista Skinner : For the 90% of teams that don't play at Area level or beyond - do we ever need to Activate the teams?

19:31:06 From Jane Prado : No you do not, that is our recommendation

19:34:35 From ivanm : For Joey. just for clarification...

a team can be submitted if they have completed the 3 compliance items. ie. Safe Haven, Concussion & Sudden Cardiac Arrest

it appears the system is not checking that the coach has the proper coach license.

19:38:21 From Rick Roberts: SRA 1 to Joey Catuara(Direct Message) : Joey, before you send the presentation, please make all links open in a new window. Thanks.

19:38:56 From Ernie : have you covered how to sync sports connect?

19:39:48 From Jaime Bencia : Can you provide a bit more info, Ernie? What do you mean by syncing Sports Connect?

19:40:10 From ivanm : AYSO ID is now Alt Admin ID#

19:42:19 From Krista Skinner : Compliance widget works without Activation - right?

19:42:34 From Gregg Deluga : yes

19:42:37 From Pat Stanford : Does October 30 Active requirement mean that Road Show will be in October to ensure that coaches can participate in Area and Section playoffs?

19:44:21 From ivanm : is there documentation that explains the different play types?

19:44:53 From ivanm : does that come from Sports Connect or is that defined by AYSO?

19:46:09 From PAULA MUESSE : The reason we are waiting until Monday to open MY21 is we made adjustments to the roster limits and added a program call your schoolyard

19:48:47 From Jane Prado : That was in the training last week, which is on the Section

19:49:59 From Krista Skinner : So there will likely still be early Jan training...

19:50:16 From PAULA MUESSE : young

19:51:34 From Paul Nelson AYSO 1508 : what about sudden cardiac arrest course? It is not automatically updated after taking it

19:52:01 From ivanm : Here is the list of Play Types...
