Change to Regional Policies and Protocols for inclusion of 19U division

For regions that participate in a 16U/19U program where the 19U includes 17U, 18U and 19U, your region has to add the following to addendum A under "Additional Addendum Items"

Article 7 – Paragraph B2

Notwithstanding Article III.B and III.C of the National Rules and Regulations, this region supports a 19U division verses 18U which includes 17U, 18U, and 19U and thus includes players who reach nineteen years of age by December of the end of the Membership Year.

For the MY2017 Membership Year only (August 1st 2017-July 31st 2018) we will extend the 19U Division to include Players Born from 8/1/1998 to 12/31/2001 to include those players who would have otherwise been prematurely excluded from the program due to the switch to Birth Year registration.
