

Section 2 Call 1-22-2021

On call: Mike Morrissey, Nathan Quesada, Alan Lee, Daniel Haak, Cathy Corum

Opening:

- Courses/Content – Expo in particular Management
- Also available as webinars
- Where at in regards to Referee/Coach
- Spoke with Kris Graff Tom Simmons – do Expo later this year?
 - Kris – more struggle to get through Spring Season with COVID
 - Should be able to do training
 - Kris wants to encourage still holding training
 - Tom – Arizona is open at this point
- May not have Expo use different structure
- Do different time of year
- Plan to do like we did for GGC
- GGC on calendar/school schedule – wait and see if can be held

Try a course once a month via Zoom to all three Sections

- Feel Tom and Kris not on board for Expo this year
- Should we push for Expo?
- What other ideas?

Comments:

Alan –

- Doing an Expo, even online, is a lot of work
- Like idea of once a month; less instructor work

Daniel –

- Need to find a way to engage masses; Expo works well for this;
- Could be onboard for Zoom idea; need to set a schedule and make it happen
- Working with Avery to develop online instructor Zoom training - 4 hours
 - General course for all disciplines.
 - Pilot training ready by mid-Feb. leading to instructors ready for Expo.

Mike –

- Does office know?
- Connect with Penny Wakefield, Karen Mihara, Eileen Tabert to tie two courses together.

Daniel - Rick and Al Prado are working on tie in to ItoI

- Intermediate course ready?
- Is there an office contact available – Karen Mihara
- Pilot course people - Sec 2 and Sec 1 instructors and top level of each discipline – about 30 people

Cathy – Like idea of monthly courses, but instructors must have taken Zoom Instructor course first

Nathan –

- If not having a season harder to get people to attend training
- Coaching side, Scott doing a lot of work reformat material to webinar
- would prefer Expo
- concerned about participant by-in
- Like the Zoom Instructor course
- Don't want to do all the prep for only 2 people
- Set a schedule to make sure enough people are signed up

Mike –

- Tom and Kris want to be included
- can use their instructor pool
- Section 11 doing their own Road Show have large volunteer base
- Combine with other Sections? - Agreed

Mike wants list of courses available online (webinar) or being updated for virtual and/or in-person classes from each of us – by 1/29/21

Daniel –

- Intermediate has been taught online, but isn't necessary ready for any instructor to teach online
- Adv Ref Inst approved with other instructor assistance

Zoom Licenses

- No issue with Zoom licenses for admins
- is it ok to share a single license

Alan — Not really –

- One Manager assigns license use to user; usability is shifted from one person to another
- Most flexibility – purchase 4
- Four people could use those licenses
- Still have to use one Manager to assign useability of all licenses to other users

Nathan – IT work around – create a Role email to set up license account – then Role can be shared

Moving to Zip Books - Section 2 is in phase 8

- Based on bank used
- Like to pay out of account directly rather than reimbursement so renewal can be automatic
- Like to use Wells Card - Mike will clarify that's ok
- Could be invoiced to be paid by check
