Special check in meeting for Section Tournament.

- Volunteer form for Section tournament – Mike would like a copy and Jackie needs info for binders. Steve has version with referee instead of Field Marshal (FM). Most FMs should be ADs.
- 12U and 14U at Sea Cloud – with head referee for each division. Ted helped last year. Anyone being groomed for position should be invited.
- 10U at Catamaran
- Not using other field
- Review sportsmanship – Mike will review with Alan, Daniel, and Steve
- Thank you, Michael for all the leg work again this year.
- Game schedule – may have six teams from Area 2. Would be 9 teams/bracket instead of 8. Will throw out tentative schedules for review in the next day or so. Need to maximize day light. Some division may stay at 8/bracket. Need to know by Dec 1. Needs to know who will send teams who won't. E and F are usually the last to know if any will attend. Jen to let Mike know who won't attend as soon as possible.
- Jackie – will manage rosters for the binders. Michael to send permits to Jackie for printing. Ref admin will be at field each morning to help with check-in.
- If sending teams, send a check from the Area for the amount of costs. More info in email.
- AAP/RAP – Jen has turned in her Area and 2 region reports. Area F will have only one. Michael has 3 regions and Area will be sent. 2020 no RAPs as it goes through the transition.
- Expo walk through – Sec 2,9,12 – Jackie, Alan, Mike, John Kiefer (Coach Admin). Managed to complete agenda and room assignments. May have a few adjustments. Will post instructors later. Hotel – have to fill 150 rooms to meet our contract obligations. There are some limitations with Tucson. Very spread out. Hotel does not have a shuttle. Not a lot of direct flights. Registration should open for people reserving room. If going to attend.

AMERICAN YOUTH SOCCER ORGANIZATION

October 28, 2019 – Section 2 Board Meeting

Fly in a group and rent a car. Typically, a longer wait for Uber/Lyft. Look for flights that have shorter layover times. Registration for Expo open in the next couple of weeks. Moving to C-Vent for registration. As soon as office has detail ready registration will open. Hotel 8 miles from airport, but not a quick direct path. Only doing one I2I on Thursday. Everything else starts at 9 am on Friday. Mike will send question about who needs funding for Expo expenses. Will try to reserve rooms for instructors/admins. Hope to supply a list to hotel at one time. We need to be selective on who we have come instruct. Be mindful of cost and hopefully have each instructor doing at least 3 classes. Expo is Feb. 27-Mar. 1

- GGC 2020 – The lady that runs the event had a cancellation for the first weekend, so we can it back. Agreed it will be held July 31-Aug. 2.
- Special call before Section tournament Monday, Dec. 9. Mike will book rooms for Alan, Nathan, Jackie, Cathy, Daniel, and himself.

Anything else?

- Jill – still looking for shirts and jackets. Budget??? Mike and Jill will talk off-line. Could you consider some sort of rain wear with hoods.
- Pete will update the section site on Dec. 1 with forms for nominating awards. A dedicated time aside from lunch has been set aside for awards presentation. No key-note speaker will be brought in. One person from each section will speak 10 minutes about what inspired them to stay with AYSO.
- Sec 12 – Ben ? Section Coach Admin – 2-time cancer survivor.
- Sec 9 –
- Sec 2 -
- Alan – Expo schedule, is it ready to be opened to instructors to start putting in their names. Mike needs a copy by Friday. Room assignments need to be done still.
- Daniel – budget still the same? Mike hopes to have it go up for this year. Mike will work with other two sections to have there input asap. Jill - Is there interest for RMS labs. Took out one of the doubles. Three to four time slots for this year. Jill will coordinate with Pete on who will be there.
- Jackie – the hotel is focusing on families with water park. Hoping people will bring their children. There have been issues in the past with Areas about people bringing their children. Lots more kid friendly food options for families.
