A Coach or Assistant Coach that is sent off, is to have no direct contact with the team during the suspension (not present at practice or the next match).

13 PLAYER SUBSTITUTION

Substitutions for 16U/19U matches will be by free substitution in accordance with IFAB 2018-2019 Laws of the Game. It is the coach's responsibility to insure that all players play a minimum of one half of each game. **Violation of AYSO minimum playing time requirements will be dealt with in the sternest possible manner, up to and including forfeiture of games involved and suspension of coaching privileges.** If a review is requested within reason a review of the timekeeping will be done at the direction or discretion of the area director.

Referees are encouraged to follow the guidance in sections 3.5, 3.6 and 3.15 of the current edition of the USSF "Advice to Referees" regarding free substitution. Please direct any questions on refereeing guidelines or procedures to the Area Referee Administrator or Area Director.

10U-14U will play two halves with a quarter substitution approximately halfway between halves. Regions at their own discretion may have a $\frac{3}{4}$ play. This will not be enforced for competing regions during inter region play.

It is the coach's responsibility to insure that all players play a minimum of one half of each game.

14. COLOR CONFLICTS

In the event of a conflict, the home team shall change jerseys to a non-conflicting color. Overlays are permissible.

The referee shall be responsible for determining if color conflicts would hinder a fair call. Changes may be required if so ruled by the referee. The referee should allow considerable latitude and only in impossible situations should change be necessary.

15. OFFICIATING

The home Region is responsible for providing **three (3) qualified** referees, appropriately attired, for each game. Referees must wear shirts of a color that will contrast with the player's jerseys. All games will use the diagonal system of control, with a referee and two assistants. If there is no referee team for the match then the game is a forfeit for the home Region.

The Referee must meet the following criteria:

1. Cannot be the coach, assistant coach or a relative of any player on either team
2. If the referee is a youth volunteer, he/she must be at least 2 years older than the age division of the match in question
3. Must have a minimum of an AYSO Regional referee certification and be AYSO Safe Haven certified.
4. For 16U/19U referees, the Referee is recommended to be an advanced referee or higher, however it is at the discretion of the Regional Commissioner and Area Referee Administrator to have an approved list of qualified referee's. The assistant referee is recommended to be Intermediate or higher, however it is at the discretion of RC and ARA. Teams failing to meet these requirements will forfeit the scheduled match.

Assistant Referees must meet the following criteria:

1. Cannot be the coach, but may be the assistant coach or relatives of players on either team.
2. If the assistant referee is a youth volunteer, they must be at least 2 years older than the age division of the match in question.
3. Assistant referees must have a minimum certification of AYSO Regional Referee and must be AYSO Safe Haven certified.

15.2 Referee Zero Tolerance Policy

Area N AYSO has in effect a ZERO TOLERANCE policy for negative, offensive or abusive language, gestures, or actions towards our referees. Absolutely no negative behavior will be tolerated. If any parent, coach, referee, or spectator interacts with any referee in what is considered a negative manner, the following procedures will or may occur.

- Your team will lose a game point.
- The offender **will** receive a minimum of one game suspension.
- You may also be brought before a disciplinary hearing for further actions.
- If you as a coach do not deal with the offender either after being made aware of it or recognize it yourself, you may face a disciplinary hearing and possible suspension.

Coaches will be held accountable for their sideline spectators. If a coach is having difficulty doing so, please have them notify a board member or the referee staff immediately. It is **the Coach's responsibility** to control their sideline and enforce the AYSO Kid's Zone Policies.

Our referees are a vital resource we do not need to discourage them. Let's work together to protect these important volunteers for our program.

16. TEAM STANDINGS AND TIE BREAKERS

Team standings shall be determined by a point system. **Six (6) points** shall be awarded for a win, **three (3) points** for a tie and **1 point for a shutout**. No points shall be awarded for a loss. One point for each goal scored, up to a maximum of 3, shall be used to discourage running up the score. Teams will be placed in the standings in order of points earned, most to least. In the event of a tie for any position in the standings the following tie breaking rules shall be used:

- a. Head to head competition.
- b. Fewest send Offs and Cautions resulting in suspension
- c. GOALS AGAINST: The team allowing the lowest number of goals against shall be ahead.
- d. GOALS FOR/GOALS AGAINST DIFFERENTIAL: The team receiving the highest adjusted goals for/goals against differential **(three maximum per match)** shall be ahead.
- e. Coin toss.

17. OVERTIME PROCEDURE

No overtime will be used for the season. Matches can end in ties.

18. DISPUTE RESOLUTION / DUE PROCESS PROCEDURES

Section 12, of these Rules & Regulations, detail the various disciplinary actions that may be taken when team members violate rules during inter region play from 10U-19U. Discipline conveyed during Area 1-N play is determined by the Area Director. It is not the Area's intent to be unduly harsh, unfair, arbitrary or capricious. It is the Area's intent to send a message to all of the participants, that it **will not tolerate violent conduct, serious foul play, or offensive, insulting and abusive language/obscene gestures**. It is the responsibility of each participant in Area 1-N to familiarize themselves with the Rules & Regulations and corresponding penalties.

A procedure exists to insure that disciplinary decisions of the Area remain fair and that persons involved with the procedure are disinterested parties as outlined in the discipline review process.

19. **There will be no protest of games accepted.**
20. These rules will apply for inter region play within the lower divisions at the discretion of the Area Director.

Area Due Process Procedure

Discipline actions tendered by the Area to participants will be by phone call and/or email to the respective Coach and Regional Commissioner. Written communication of disciplinary actions regarding **eligibility to participate in the Section 1 Playoffs** to a **participant** or **coach** will be as warranted and at the discretion of the Area Director. Written communications will specify the action being taken and the reasons therefore. The written notice will also notify the participant that he or she, **upon written request for a due process hearing within a certain time frame**, -will be given a reasonable opportunity to explain why such action should not be taken. At the request of the disciplined party the Area Director will appoint a panel of no less than three (3) disinterested persons to conduct a hearing at a neutral site. The hearing will be informal and interested parties will be heard.

At the conclusion of the hearing the volunteer panel will meet and confer to make its determination and present its findings in writing to the Area Director. The Area Director will make a final decision and disseminate the results in writing to all interested parties. At the option of the disciplined party, the decision by the Area Director in this matter may be further appealed to the Section Director. The discipline administered may be harsher than originally given.

These procedures have been initiated to make sure that the AYSO philosophy is followed in our actions regarding our membership. Our intent is to satisfy the doctrine of fairness that underlies the basic philosophy of AYSO.

Area N Guidelines and National Rules & Regulations and Policies will be in effect during this season and may override or supersede any Rule or Regulation addresses herein.
