

## **AYSO REFEREE EXPO 2021**

### ***Officiating Workshop Announcement***

After much planning this Spring, we are ready to publish the EXPO Schedule and open the Workshop registration. This year's EXPO instructors have attended training in Online Instruction.

All workshops will be offered free of charge via Zoom and will last for an hour and 15 minutes. Workshop descriptions may be found <https://bit.ly/3INSQP4>.

#### **Schedule**

The 2021 EXPO will be held over 4 weekends:

- April 9, 10, 11
- April 16, 17, 18
- April 23, 24, 25
- May 14, 15, 16

The current Schedule may be found here <https://bit.ly/3cVbpwz>.

#### **Registration**

Most workshops are limited in size so you should register early. When sessions are full, any additional registrations will be placed on a waiting list.

Certification courses will not be offered.

To provide the best experience for each attendee, there will be attendee limits on some workshops. In rare instances, some referees may be asked to re-register for a different time slot or workshop.

The registration is through Google Forms. You may register at <https://bit.ly/3cWT5TI>. The Zoom invite will be sent to the address you register.

#### **Questions? Please contact your Section Director of Referee Instruction:**
