

Coaches,

Again thank you for your time and effort as coaches! Below are the assignments for Field Marshall. The person listed has agreed to be a contact person for your team. However, any team parent(s) can help. Please confirm with the person listed for your team and confirm the phone contact.

It would be best if there were 2 parents from each team assigned present at the table, especially at Al Tahoe where there are 3 fields going.

I tried to honor game schedules and requests but please understand that there are a lot of teams and fields to coordinate. Most fields are visible from the Field Marshall tent so no one should have to miss their child's game.

Responsibilities will include: tallying scores, distributing gift cards to refs, collecting equipment and rating forms and passing out pictures. There will be a binder on site with all the responsibilities and rules AND there will be AYSO board members available throughout the day for questions.

IF your team cannot work the assigned time it is **your responsibility** to 1) find a switch 2) notify me of the switch at 530 318 9939 or alileach@hotmail.com

The weather looks great and we are looking forward to great last weekend of AYSO soccer
