

Everyone Plays®

AYSO's goal is for kids and adults to play soccer, so we mandate that every player on every team must play at least 50 percent of every game.

Balanced Teams

Each year we form new teams as evenly balanced as possible, providing a stronger learning experience for teams as they play teams comprised of similar ability. It also allows for each player to experience playing with a wide variety of teammates of different skill levels.

Open Registration

If you want to play soccer, AYSO welcomes you and gives all youth and adults the opportunity to register and play.

Positive Coaching

A coach can be one of the most influential people in a player's life, so AYSO requires they create a positive experience for every player in AYSO. Additionally, encouraging player's effort leads to greater enjoyment, improved skills and stronger motivation in players.

Good Sportsmanship

We strive to create a positive environment based on mutual respect rather than a win-at-all-costs attitude, and our programs are designed to instill good sportsmanship in every facet of AYSO.

Player Development

All players should be able to develop their soccer skills and knowledge to the best of their abilities, both individually and as members of a team, to maximize their enjoyment of the game.
