

Goal Volunteers: Miller Field U5 AND U6, U12 and up AYSO Spring 2011

SET UP: If you are the First Game of the DAY YOUR TEAM needs two volunteers to arrive 20 minutes before the schedule U5/U6 game or 30 minutes before the U12 game. Set UP means to put up your field's goals, flags, garbage cans, and referee bag. The U5 and U6 goals are the small metal goals locked to the batting cage. One of u5 fields is to use the pop up goals. They are located on the hook by the door. Both the shed and the goal Combo is _____. **LOCK THE CHAIN AND CLOSE THE LOCK EACH TIME TO PREVENT LOSS AND THEFT. Open up the combo to the porta potty (Combo is:_____)** Open the shed, take out the corner flags for your field and one orange referee bag. One bag for all the U5-U6 fields. One bag for u12 (miller west)

U5 & U6:

- 1) See the Miller field lay out map.
- 2) Open up the porta potty. Combo _see above_____
- 3) Set the rolling garbage cans with liners onto the track
- 4) Unlock the U5/U6 goals from the fence. (CLOSE THE LOCK to prevent theft of lock itself)
- 5) Set the goals onto the field on the goal line on each end of your fields.
- 6) Stake down each goal with two stakes.
- 7) Set up the corner flags in each corner of your fields.
- 8) Put the referee bag LABELED U5-U6 behind the nearest goal to the shed (u5 and U6)

Take down: The Last teams of the day

- 1) Unstake the goals and put the stakes into the referee bag
- 2) Each team must take two goals to the lock up area. The pop up goals must be condensed and put back onto the hooks by the door.
- 3) Take the garbage cans to the shed (once emptied by the "trash team". If they have not been emptied, please take to dumpster in parking lot (Thank you!!).
- 4) Take the corner flags and the referee bag to the ayso shed.
- 5) Lock up the porta potty, shed and goals.

U12 AND UP TEAMS FOLLOW THE SAME PROCEDURE. USE 4-6 STAKES PER GOAL. PUT THE U12 REFEREE BAG FOR YOUR FIELD BEHIND THE NEAREST GOAL (TO THE SHED)
