Volunteer expectations

- This is a volunteer position. However, treat it as if it's your job. If you can't do something that needs to be done, let the RC know immediately so help can be given.
- When representing AYSO, take the high road. Don't get into fights with parents or coaches, don't argue with referees on the field. If there is a problem take it to our RC after the game. It's easy to get caught up in the passion of the game but step back from the situation & take the high road.
