

SPECIAL ANNOUNCEMENT

AYSO Region 104 Status for Spring Season

We thank you for your patience to this ever-changing situation. Our National Office is recommending that all AYSO programs be suspended or postponed immediately until further notice. For AYSO Region 104, this includes all Core Program games and practices, Playground Soccer, and the VIP Program.

Our National Board of Directors will be holding a meeting on Monday, March 16th and we expect to have further guidance after that. The AYSO Region 104 Office will also be monitoring local Government and Public Health departments to diligently monitor the developing updates. As new information becomes available, we will reevaluate the situation to determine our next course of action.

We understand that this has created anxiety in our communities. Our top priority is the health and well-being of our families, and the steps we are taking will help stem the spread of Coronavirus and protect the most vulnerable.

We recommend that you follow the CDC guidelines, which can be found here: <https://www.aysovolunteers.org/coronavirus-update-and-prevention-tips/>. We know this can be a particularly isolating time, so please feel free to reach out to us by email, our website, or check our social media platforms for updates. We are all in this together.

Below is a great resource to help understand the differences between Coronavirus, the flu and the common cold. Please feel free to share this with your family, friends and neighbors.

Player Refund Requests:

At this time, AYSO Region 104 will not be issuing refunds. It is our hope that we will be able to continue the season at some point, we just don't know when.

Sincerely,
AYSO Region 104 Board of Directors
