THE DECISION REGARDING AYSO 205 AND OUR RESPONSE TO COVID-19

Welcome 2021. We hope it is better than 2020. AYSO soccer is on the horizon and we do not want to cancel our Spring 2021 season. Unfortunately the virus is still not contained and a mutation has been located in the United States that spreads faster than the original strain.

The vaccines are being administered, but how available and widespread they are is unknown at this time. Our Spring registration has been advertised beginning March 1.

We want to open up our Soccer program March 1.

How can we do this and still be safe?

We have attached a proposed Spring program. The big key is to have no registration fees collected and have everyone registering placed on the "Waiting List" function in our website.

All 3 options will be advertised and decided on by the Board near the end of March or the beginning of April.

The 3 options are:

Divisional Team Program	6 week program
AYSO Quick Start Program	6 week program
Cancelling Spring 2021	
REGISTRATION FEE FOR ALL OPTIONS	\$85.00

ALL REGISTERED PLAYERS PLACED ON WAITING LIST/NO FEE IS COLLECTED

OUR DECISION WILL BE BASED ON CDC AND AYSO GUIDELINES
