

Dear Business,

The Hill Country Youth Soccer Association had a great 2017-2018 season! More than 1,000 youth on 140 different teams were able to participate in this exciting sport. We also had a VIP team for players with special needs. Our organization continues to promote values that help develop tomorrow's healthy community. Sponsors like you help make our program available to everyone by keeping the cost affordable to families. We are truly grateful for this support and ask for your help with the Fall 2018 season.

With your \$175 sponsorship, HCYSA can continue to provide and improve a great all-volunteer, open registration soccer program for children 4 to 18 years old. As a sponsor, your name will appear on our website at www.kerrvillesoccer.org. If you were a sponsor last year, you'll see your business scrolling across the bottom of our home page below our national partners. Sponsors will receive a team plaque at the end of the season to display in their business.

We hope you will join us in promoting Hill Country Youth Soccer and your business. You can sponsor your own kids, grandkids, nieces and nephews, or the kids next door. The bottom portion of this letter contains the information we need by August 1, 2018. Your contribution is greatly appreciated by all the volunteers, parents, and players!

Thank you for your support.
