

# **NO PETS AT THE FIELDS**

# **NO DOGS ON THE FIELDS**

THIS WILL BE STRICTLY ENFORCED!!

Our children want to play on clean surfaces, without worrying about allergies and fear of animals.

Animals are strictly prohibited from the fields.

Violators will receive **one** verbal warning.

The **second** time the police will be called.

Third infraction will result in removal from the program.

We teach our children RESPECT at the fields; respect of each other, their coaches, the referees, their parents, the field, their community. We ask that you please respect our fields in return.
