

## American Youth Soccer Organization - Region 613

*Serving Coloma, Watervliet, Hartford and surrounding areas*

Dear Business Owner,

We are looking to raise funds to support our organization. The American Youth Soccer Organization is a national, non-profit, tax-exempt organization. Consequently, your contribution is an allowable deduction on your Federal and State income tax return and we will provide a tax write off receipt for you.

Your gifts keep our work going! Your donation will be applied to the areas where they are most needed. Your donations also ensure that our Regional Commissioner and other Board Members and Volunteers get the training needed to manage a successful program. Donations can also be made directly to the Lori Rohrer Scholarship Program, which believes income shouldn't prevent kids from playing AYSO soccer. Your donation helps ensure that all children are able to play the beautiful game of soccer!

Thank you for your consideration,  
 AYSO Region 613!
