

WHAT DO MY REGISTRATION FEES PAY FOR?

This is one of the most common questions we get—especially around registration time. AYSO 605 is a 501.3C—a non-profit organization... and we work to make it one of the best VALUES for your soccer experience anywhere. Because that is important to us, we want to be as transparent as possible about exactly what each dollar goes towards.

Breakdown of the registration fee

Insurance—This is a fee that is handed down by National AYSO, and pays for insurance.

Uniforms— In AYSO, you get a real soccer jersey (not a printed t-shirt), socks, and shorts

Field Rental and Fees—by far the largest expense we have, this covers field rental, maintenance, line painting, etc.—paid to Charlotte Parks & Recreation.

Coaching Supplies—Cones, balls, air pumps, bags, coaches shirts, pennys, training (materials), certification, and all of the other equipment that our coaches need to make this a great experience

Volunteer Background Checks—We are required to do background checks on ALL registered volunteers every year. This is to protect our kids to the best of our ability

Volunteer Related Supplies— Soccer nets, maintenance for our goals, corner flags, signs, banners—basically all of the other supplies to make game days happen

Referee supplies—Training and certification (materials) for our referees, uniforms, whistles, flags, game books, etc

Admin Expenses—Service fees for the website, training, postage, shipping fees, storage, hotline

End of Season Awards—Trophies, jerseys, or medals to celebrate the season

Misc expenses—Pays fees incurred by the region (mostly, credit card processing fees)

Remember, no one gets paid—all of the AYSO regional Board, coaches, referees, trainers, maintenance and gameday staff—are all volunteers—so every dollar of your registration fee is paying expenses.

These numbers are based on having 500 registered players... so if we have less, there are some fees that could change (for instance, field rental still costs the same—so it would cost more per player).

Any difference in ACTUAL cost vs. YOUR COST, we try to cover with sponsorships... so about \$10 of actual expenses per player are currently paid by sponsors—so please visit them!
