

AYSO Region 665 Select / All-Star Coach Selection Policy and Process

Coaching one of the AYSO Region 665 teams can be one of the most rewarding and challenging experiences in AYSO. All-Star teams are composed of the most talented, sporting and dedicated players in the region, and requires a coach who is equally as dedicated to developing a successful team as positively impacting the players' soccer experience. Interested coaches must complete this application and return **either by email (ayso665@gmail.com) on/before November 11th**

It is important that ALL interested coaches apply, as the Region may not be able to form all teams if too few coaches are applying for the positions. Late applications **WILL NOT** be considered.

Any additional information you feel would be helpful for the Board to consider:

Completing this application in no way confirms my appointment as All Star Coach. It is understood that Region 665's Board of Directors look forward to the All-Star coach and players returning to our program next year. If the All-Star coach elects to leave and recruit some or all of these players to a program other than AYSO Region 665, it will exempt this coach from any further participation in Region 665's All-Star or tournament programs. In addition to the above statement, I have read and understood all AYSO and Region 665 rules and regulations, and, if selected, I agree to follow these rules throughout the All-Star season.
