

Hi Region 878 Families,

I hope all our region families are safe and healthy during this time. As you all know, COVID-19 continues to be a concern and there are still restrictions on large gatherings and social distancing practices in place. In accordance with these guidelines, the Spring Season 2020 is officially cancelled.

Refund Process

Cancellations and refunds will be completed over the next few weeks. Please complete the [online form](#) by May 25th to indicate your refund preferences.

Option	Method
1	Receive a coupon, generated from Sports Connect to apply to your next season (coupon is valid through June 30, 2021).
2	Refund to the credit card used for payment. The processing time may vary based on batch processing requirements and your bank.
3	Physical check will be mailed. A manual check will be processed within 2-3 weeks.

Uniform Drop-off

Families may either return the unused uniform or opt to keep the uniform for \$15. This can be indicated on the form and your refund will be adjusted accordingly.

We can't wait to see all our soccer families back on the field in the upcoming Fall season! To provide flexibility as we continue to monitor the COVID-19 situation, we will be opening the Fall 2020 waitlist registration as a later this week... watch your email for an announcement!
