

# FIELD MONITORS

---

Field monitors are the “eyes and ears” of the region at the soccer fields!

**NO FIELD MONITORS**

**NO GAMES**

## AMERICAN YOUTH SOCCER ORGANIZATION

*A nonprofit corporation dedicated to youth soccer  
**everyone plays***

During your shift, we ask that you walk the fields and make sure that:

- **All players receive a temperature check.**
- Players, coaches and spectators are in appropriate areas of the field.
- Coaches and spectators are displaying appropriate behavior.
- Teams clean up any trash after their games are complete.

Parents **MUST** wear a mask during the game.

If you see any behavior that you feel should be reported, send the information in an email to our Regional Director Darryl Letchworth @ [Dletch38@yahoo.com](mailto:Dletch38@yahoo.com). Try to get as many details as you can including names of individuals and /or coaches, team, date, field, and time. Don't worry if you cannot get all names, with the team information we can figure it out.

*PLEASE REMEMBER THAT WE ARE NOT ASKING YOU TO GET INVOLVED IN ANY CONFLICT.*

We do not want you to get in the middle of "poorly behaved" individuals. We simply want you to report what you see so the appropriate regional representatives can follow up and take appropriate action.

In case of a medical emergency, call 911 and contact Alex Guerrero @ 310 467-6737.

All Field Monitors must register as a volunteer @ [www.ayso21.org](http://www.ayso21.org)

***Must arrive 30 minutes prior to game time for team temperature***
