

Region 12 Families,

Hi! I hope you are doing well. Many of you have been asking what our plans are for the fall season and I wanted to provide you that update now. As I am sure you can imagine things are going to be different. Right now we are very limited by the city of Torrance and Department of Public Health in the activities that we can and cannot do. I am going to try and describe our plan below.

Saturday: One hour of skills practice and skills challenges. A tentative schedule is listed below.
Weekday: Virtual skill practice to be done by players at their own time.

Tentative Dates are September 12 through November 21

Dates are tentative pending monthly approval of City of Torrance
Locations are two Torrance Parks: DePortola Park and Walteria Park in South Torrance

Sessions will be hosted by a qualified coach and will emphasize specific age appropriate skills and of course fun! As always AYSO, uses its volunteers in a variety of roles. Volunteer coaches will still be needed and utilized to run Saturday sessions in collaboration with Division Coordinators.

Players will stay with the same coach and in the same cohort each session.

Individual arrangements and decisions to be made with VIP players, U16 and U18 players.

Regular registration fee to remain through at least April 2021. No late fees. Register at any time. Players to be provided with a shirt, shorts, ball, socks, mask and participation medal. Players are required to bring their own shin guards and shoes. Picture day is also tentatively for the third week.

Ball provided at the first session and to be brought every week. Players will take the ball home and decorate it and return next week for ball decorating competition.

Players shall not touch another player's soccer ball with their hands at any time. Coaches will strictly enforce and provide regular reminders.

Masks to be worn at all sessions. Temperature and health check prior to beginning each session.

Covid-19 waiver required by all participants including coaches. Regular AYSO requirements apply. We will follow [AYSO Return to Play Guidelines](#).

Players not wishing to participate may request a refund at any time prior to the end of first session. Once a player receives a jersey and ball no refund will be issued. Exceptions made with extenuating circumstances.

Social distancing rules apply at all times. Parents are to remain separated from players, and separated from other non-household members. Parents are to wear masks at all times while at skills practice locations.

We will play games and have scrimmages as soon as possible. Fall registration includes any core season that we are able to play through May of 2021. We are hopeful that at some point we will form teams and play games. We will continue to allow new players to register until we start a core season. The final determination of our ability to play as we have described is subject to local authorities and public health officials.

Players knowing now that they do not wish to participate should request a refund as soon as possible. To reiterate refunds will not be given after the end of the first session tentatively scheduled for September 12.

Any questions please contact Regional Commissioner, Matthew Skoll at matthew577@gmail.com or reply to this email.
