

AYSO Region 46

Out of concern for the health and welfare of our community, the Region's Board has made the decision to suspend its Spring season through April 11th. We will continue to monitor events and will make the decision regarding the balance of the Spring Season by April 5th. No decisions regarding cancellations, make up games if any or any other matters resulting from the impact of the Coronavirus on our Spring Season will be made until then.

Thank you for your understanding.

Steve Grover
Regional Commissioner
AYSO Region 46
