Coaches:

Playing and practice space is getting hard to obtain. There are more children in the valley each year, and the number of sport programs is also rising. Unfortunately, playing space is not growing as fast. There are a few things we must do to help us retain the space we do have.

- We must be good neighbors when using the space we do have. Complaints from neighbors can and has caused permits not to be renewed the next season.
- We may be asking specific divisions to practice at specific locations. This is done to separate the large kids (with blazing kicking speeds) from inadvertently hurting the smaller kids.
- We must get along among ourselves. Practice space should be shared equally. Arriving early can let you stake out your preferred space, but early arrival does not allow a team to grab 2 or 3 times as much space as the other teams are using. You may use extra space for a scrimmage, but give it up as more teams arrive and need to use the space. A typical space for practice should be 20 yards by 20 yards.
- Other groups may share our locations. If you suspect that a group that does not have a permit is using space you may ask the park personnel for assistance, but please do not demand it. Please keep your Division Coordinator informed if you run into use conflicts.

A lot of people have worked very hard organizing things so that you can work very hard running your teams! Thank you for your consideration, and have a safe, fun and fair season. See you on the pitch.

Section 1 – Why AYSO & Why Soccer

A Game For Kids And A Game For Life!

AYSO is child-first and child focused. We are a soccer organization with happy, healthy kids as our passion.

Every decision, every rule and every program has "what's good for kids" as its basis. Every girl and boy stepping on a soccer field for the first time can have fun. AYSO's child-first approach also makes it one of the finest player development programs. Everybody likes to win, but developing successful players and people is what's fundamental in AYSO.

You can set a soccer ball down on any corner in the world and have friends. It is a global sport that Americans have embraced in record numbers... because it's fun even with a beginner's skill. It's also a game you can play and enjoy for the rest of your life (U-5 soccer is one of the fastest growing levels in the U.S.!).

With children's natural joy in running and kicking, soccer builds on these two skills and adds in techniques to control the ball and work as a team. It also encourages creative decision making and strategic thinking. And it's a fast game that keeps each player moving the entire time. In AYSO there's no spending the game on the bench!

AYSO has age appropriate small-sided games. A full size soccer team has 11 players on the field. But smaller-sided teams for younger children allow more touches on the ball and a more successful soccer learning environment.

AYSO small-sided games emulate classic "street soccer" where children of many skill levels choose up teams and play together for a fun neighborhood game. This is a similar environment to where many of the greatest soccer players in the world developed their skills. Small-sided games continue as excellent development

AYSO's Mission & Vision

To Be The Nationally Recognized Youth Soccer Program Of Choice

AYSO's **Vision** is to provide world class youth soccer programs that enrich children's lives.

AYSO's **Mission** is to develop and deliver quality youth soccer programs which promote a fun, family environment based on AYSO's Six Philosophies:

- Everyone Plays®
- Balanced Teams
- Open Registration
- Positive Coaching
- Good Sportsmanship
- Player Development

The mission is accomplished by providing these essential services:

- Coaching and referee programs including quality delivery systems
- Quality administrative and operating systems with a support network
- Strong financial position
- Special network for volunteers, supported by a national staff
- Program research and development

Section 2 - AYSO's Six Philosophies

AYSO's Philosophies are living tenets that separate it from other sports organizations. They are Everyone Plays®, Balanced Teams, Open Registration, Positive Coaching, Good Sportsmanship and Player Development.

Everyone Plays®

The AYSO National Program's goal is for kids to play soccer, so we mandate that every player on every team must play at least 50% of every game. In Section 10, Area V, which Region 795 is a part of; we require that every player on the team must play 3/4 of the game where the team numbers allow it. It's no fun to spend the game on the bench...and that's no way to learn soccer!

Balanced Teams

Each year we form new teams as evenly balanced as possible because it's more fun and a better learning experience when teams of similar ability play. It allows for each player to gain the experience of a wide variety of teammates of different skill levels.

Open Registration

Our program is open to all children between 4 and 19 years of age who want to register and play soccer. Interest and enthusiasm are the only criteria for playing. There are no elimination try-outs and nobody gets cut.

Positive Coaching

Encouragement of player effort provides for greater enjoyment for the players and leads to better-skilled and better-motivated players. A coach can be one of the most influential people in a child's life, so AYSO requires they create a positive experience for every boy and girl.

Good Sportsmanship

We strive to create a positive environment based on mutual respect rather than a win-at-all-costs attitude, and our program is designed to instill good sportsmanship in every facet of AYSO.

Player Development

We believe that all players should be able to develop their soccer skills and knowledge to the best of their abilities, both individually and as members of a team, in order to maximize their enjoyment of the game.

Section 3 – Coach’s & Parent’s Code

Coach’s Code

- Enthusiastically support and practice the "Everyone Plays" and "Positive Coaching" Philosophies of AYSO.
- Be reasonable in your demands on the young player’s time, energy, enthusiasm and their performance on the soccer field.
- Impress on your players that they must abide by the rules of the game at all times.
- Develop team respect for the ability of opponents, and for the judgment of referees and opposing coaches.
- Ensure that your players soccer experience is one of fun and enjoyment, winning is only part of it. Players should never be yelled at or ridiculed for making mistakes or losing a game.
- Set a good example and be generous with your praise when it is deserved. Children need a coach they can respect.
- Keep informed about sound principals of coaching, growth and development principles relating to children.
- Enlist the support of your team's parents in your efforts to instill the proper attitudes and values in the players.
- Check equipment and facilities that you use. They should meet safety standards and be appropriate for the age and ability of your players.
- Follow the advice of a physician when determining when an injured child is ready to play again.

Parent's Code

- Have Fun, Remember the game is for the children
- Be on time
- Stay off the field during game time
- Everyone plays at least half a game
- Loud criticism is not part of AYSO
- Use only positive comments
- Games can end in a tie
- Enforce the no slaughter rule (maximum of 5 goal differential)
- Children should have a full uniform
- Remember all Referees, Coaches and administrators are volunteers
- Volunteer for something, anything!

Section 4 – Conduct Pledge

COACH'S CONDUCT PLEDGE

I understand and agree:

- That being selected to be a coach of AYSO Region 795 is a privilege not a right.
- Once I accept to be a coach of AYSO Region 795, I automatically understand and agree to follow and uphold the coach's pledge.
- That I have been entrusted with a responsibility to conduct all of my coaching activities to accomplish the six (6) Philosophies of AYSO which are Everyone Plays, Balanced Teams, Open Enrollment, Good Sportsmanship, Positive Coaching and Player Development.
- That in all of my coaching activities, I must maintain a safe, fun, fair and positive environment with the primary objective of youth development.
- That it my responsibility to train and coach my team to the best of my ability.
- That it is my responsibility to insure that all players on my team and in attendance at an AYSO game shall play a minimum of $\frac{3}{4}$ of a game for U5, U6, U7, U8, U10, U12, & U14 divisions; and will follow area guidelines for U16 & U19 games
- That I will not consume alcoholic beverages and/or tobacco products nor be under the influence of alcohol or illegal drugs during AYSO practice or games, or in the immediate vicinity of an AYSO game.
- That I will not allow a player to participate in practice without appropriate shin guards.
- That I will not allow a player to participate in practice or game wearing a cast, splint or jewelry of any kind including but not limited to pierced earrings.
- That the coaches sideline participation during an AYSO game is limited to a maximum of one head coach and 2 assistant coaches; that all coach's participation will be positive, instructional and encouraging; that all coaches shall remain in the technical area; and that the coach will remind non coaches that their role is to cheer for the team.
- That any negative comments made by myself or others directed at or concerning any players relating to their participation in AYSO is detrimental to the primary objectives of AYSO and is not safe, fun, fair or positive for the players. Accordingly, I pledge to refrain from making any such negative comments and will instruct others to do likewise.
- That because I may be perceived by players, parents and others as a representative of AYSO and Region 795, that any negative comments or complaints that I make directed at or concerning a referee is disruptive to the game, is harmful to the AYSO program and undermines the authority of the referee. Accordingly, I pledge to refrain from making or cause to be made any negative comments or complaints concerning a referee before, during or after a game.
- That I have the right to submit comments, concerns or complaints of referee behavior. I will make such comments to my Division Coordinator, the Regional Coach Administrator, or Regional Referee Administrator.
- That Region 795 has adopted a "zero tolerance policy" toward any verbal harassment and/or violence toward referees, board members, coaches, parents, players and participants. I have reviewed and agree with this policy. I understand and agree that if I violate this policy I am subject to ejection from games and thereafter further suspension from coaching, attending subsequent games and/or removal from the region.

I agree to the foregoing and acknowledge that I have read & understand the Coach's Manual,

Section 7 – Soccer Simplified

Soccer Simplified

Many parents are unfamiliar with soccer. We encourage you to take one of the referee classes to learn more about the laws of the game, and to take a coach class to learn more about how soccer is taught to children of various ages. This here is an extremely abbreviated summary of soccer.

With the exception of the drop ball, any player who puts the ball into play may not play the ball again until it has been touched by another player, either a team mate or an opponent.

All restarts (kicks, throw ins, etc) are either direct or indirect. Direct restarts may have a direct score (like kicking the corner kick into the goal) whereas indirect restarts must involve a second "playing" of the ball before a score may be made.

The Object	Get the ball into the opponent's goal more times than they get it into yours.
Kickoff	This is how the game and the second half are started, and how the game is restarted after a goal is scored. The ball can be played backwards to a teammate (Direct)
Throw In	This is how the game is restarted after the ball goes out of play across the touch line (the line on the side of the field). The team that touched the ball last before it went out defends, and the other team takes the throw in. The ball must be thrown using both hands over their head starting behind the head. (Indirect)
Goal Kick	This is how the game is restarted after the attacking team kicks the ball out of play across the goal line. (Unless it goes in the goal!) The defending team designates a player to kick the ball; it need not be the goalkeeper. The ball is placed within the goal area, and must travel untouched by any player until it is outside of the penalty area before it is in play. If the ball fails to clear that distance, or if a player touches the ball before it leaves the penalty area, the goal kick is retaken. (Direct)
Corner Kick	This is how the game is restarted after the defending team kicks the ball out play across the goal line. (Unless it goes in the goal!) The referee indicates which corner the ball is placed in, and the attacking team designates a player to kick the ball. The ball must start with at least part of it in the corner arc. A corner kick is direct. (Direct)
Free Kicks	This is how the game is restarted after various fouls have been committed. The referee indicates an indirect free kick by holding his or her arm straight up, absence of this indicates a direct kick.

Soccer Simplified Continued...

Penalty Kick

This is how the game is restarted when a direct free kick is awarded to the attacking team inside the penalty area. The keeper must stand on the goal line, the player taking the kick must be inside the penalty area, behind the penalty mark, and all other players must be outside the penalty area, behind the ball, and outside of the penalty arc. The ball must move forward when it is kicked. **(Direct)**

Drop Ball

This is how the game is restarted after the game has been stopped for reasons other than a foul or misconduct. This includes, but is not limited to, injuries, animals wandering onto the field, or an unsafe condition that needs to be fixed. **(Direct)**

Offside

Offside is the most complex call to be made in the game. It is not implemented in the 5U, 6U, 7U and U8 divisions. To be called, a player in offside position must have some degree of participation in the play. Players are considered offside if one of the following is true: the player is in his or her side of the field, the player has two or more opponents ahead of him/her; the player is behind the ball.

The decision to call an offside penalty is made by the referee team based on a player being offside when the ball is kicked, and if the player is participating in the play. Please take a referee class for more information on this topic!

Handball

A call of "handling the ball" is made by the referee when, in his or her judgment, the player has intentionally handled the ball. The "hand" is considered to start at the shoulder for this call. The referee bases their call on several criteria; here are the 3 main ones: did the player move to the ball, or did the ball strike the player in the hand; was the player protecting their face or private parts from being struck by the ball; did the player have sufficient time to avoid handball contact?

Please consider taking a referee class to learn more about this call.

Advantage

Soccer is designed to be a continuous action game. If a player has been fouled, but it is to their advantage to keep playing, the referee may declare an advantage and let play continue for a couple of seconds. If the advantage has not materialized the call may be made. If too much time has elapsed the call may not be made.

A common case for advantage is when an attacking player has an open goal and is ready to shoot, but a defender pushes him or her out of the way. The referee can give the attacker a moment to recover before calling the foul.

Advantage is used more in "older" and professional matches.

Section 8 – First Team Meeting

Outline for First Team Meeting

- I. Introduction of coach & any other volunteers associated with team (assistant coach, team parent, etc)
- II. Goals and Objectives of a Successful Year
 - a. Everyone Plays (3/4 of a game)
 - b. Positive Coaching and Feedback
 - c. Good Sportsmanship
 - d. Skill Development
 - e. Understanding of Teamwork
 - f. Have Fun!
- III. What do I need to Play?
 - a. Shoes: soccer shoes suggested, not required. Tennis shoes OK, no toe cleats.
 - b. Shin Guards: should cover about 3/4 of shin
 - c. Ball: Size 3 – 5U, 6U, 8U; Size 4 – 10U, 12U; Size 5 – 14U, 16U, 19U - put name on ball
 - d. Water bottle: put name on it
- IV. Division Rules; go over
- V. Team Volunteers
 - a. Assistant coach: each team should have one and certified.
 - b. Referee: on the average the region needs one referee for every team.
 - c. Team Manager, can be shared: coordinates snacks (half time and after game), picture day, phone calls for events or parties, final team party
 - d. Banner Manager: coordinates the making of the team banner.
 - e. Field Crew: each team should have a parent who will help with field set up and take down duties.
- VI. Banner: discuss kid made, parent made, or store bought. **KEEP COSTS LOW!**
- VII. Season Calendar: share with parents

Outline for First Team Meeting Continued

- VIII. Reminder for the Players
- a. Be on time for practices and games (15 to 30 minutes before game time) Bring a ball, water, and anything else needed to all practices and games
 - b. Wear shin guards and soccer shoes (or tennis shoes) to practices and games
 - c. Label anything your kids can leave behind!
 - d. Be in uniform for games: jersey, shorts, socks and shin guards

 - f. Do not ride bikes, skates, roller blades or skateboards on school grounds.
- X. Practice and Game times: keep within bounds of our permits
- XI. Selection of team name and submit to board for approval: name can be cute, but should not be crude or offensive. Names should be unique within each division. In the event that more than one team wants the same name, the first to request it will be granted. Consider submitting multiple names, or incorporating your uniform color in the team name (i.e. Purple Dragons)
- XII. Uniforms
- a. Uniforms are **not** to be worn to practices, only to games
 - b. Team names and player names are **not** to be put on the uniform
 - c. The uniform is yours to keep after the season.

Section 9 – Division Rules

Division Rules Summary

5U-19U

AYSO is a participation league; our National by-laws require a minimum of 2 quarters play per player per game. **The by-laws for Section 10, Area V and Region 795 require a minimum of 3 quarters play per player per game with the following exceptions:** A player who arrives during the first quarter of the game is guaranteed 2 quarters of play, a player who arrives during the second quarter is guaranteed 1 quarter of play. A player may lose playing time by leaving the game early.

For 10U-19U, playing time is tracked on the game card, and is used as the formal record of playing time. A line drawn through the player's name indicates that the player was absent the entire game. An "X" indicates that a player started the quarter sitting out. A "G" indicates that the player was goal keeper at the start of the quarter. An "I" indicates that the player started the quarter by sitting out due to illness or injury (this is an exception to the 3/4 play rule). These marks are not changed during the quarter to reflect changes made due to injury.

5U and 6U

- 3 v 3
- Home team uses West side of field
- The sessions will begin on time with a 20 minute practice session for drills and skills
- The game will be 20 minutes – 3 v 3 game (played in two halves of 10 minutes each with a short break at the quarter to make substitutions and get a quick drink)
- 5 minutes – half time - 2 minutes –to make changes between quarters
- If one team has 3 or more players less than the other team, please consider "Swapping" players to keep team sizes close.
- Children of this age tend to be oblivious of the score; but even still, in the event that the score is lopsided, try to enforce a 5-goal differential or switch up the teams to make them and the game even.
- **There will be no goalkeeper.**
- **There will be NO HEADING THE BALL – cannot be taught at all and is not allowed during the game**
- No Direct kicks – keep the ball moving and kids playing
- No penalty kicks.
- **No Throw-ins** – the ball is placed on the line and the ball is put into play with Kick-ins
- No offside.
- In 5U & 6U, the coach or assistant coach from each team are allowed on the field to assist the players.
- No standings are kept

Children of this age are just learning how to play with other children their own age. This is an age of rapid learning and growth for them; don't be too strict on how soccer is to be played. There is a lot of time left for them to learn the specifics of the game. Now is the time to teach our children to have fun, love the game, and to respect others. Let them play with minimum interruption.

Division Rules Summary Continued...

7U – 8U

- Home team sits on the North (or West) side of field

- All other soccer rules apply.
- Teams may have to travel to other regions in Area V for games

16U and 19U

- Teams in these divisions participate in play organized at the Area level, and the rules of the games are coordinated by Area.

Section 10 – Volunteer Points, First Place Team Determination & Region 795 Playoffs

Participating divisions

The non-competitive divisions do not identify a first place team. These divisions are 5U, 6U, 7U, 8U.

The 16U and 19U divisions play under rules coordinated at the area level.

All competitive divisions, 10U through 19U, shall use a combination of volunteer points and in region win-loss-tie record to determine playoff qualification and first place teams.

Volunteer points given to teams

Volunteer points will be awarded to volunteers for specific volunteer tasks, outlined in the Region 795 Volunteer Point System in your manual.

To qualify for playoffs

First and foremost, a team must be in good standing. Teams that accumulate an excessive number of ejections (players, coaches, parents) or have a pattern of poor sportsmanship are not considered to be in good standing. No team in the history of Region 795 has been eliminated for this reason. Any team that is in danger of being rejected for this reason will be informed of that fact.

The coach of the team must be certified at the appropriate level for their team. The teams must accumulate the correct amount of Volunteer points as outlined in the Volunteer Point System.

Only teams that meet the above requirements qualify for the region playoffs. Of the teams that qualify, the team with the best win-loss record shall be declared the first place team.

The 10U Division shall automatically send the first place team, by season standings, in the boys and girls division to the Area 10V Playoffs. A second 10U team from the boys and girls division shall also be sent to the Area 10V playoffs and that second team shall be the first place finisher of the Region 795 playoffs.

The 12U and 14U shall send one team from each of the boys and girls divisions to the Area 10V playoffs. The Teams shall be the first place finisher of the Region 795 playoffs.

If our region is awarded a wild card for another team in any division, that team shall be the second place finisher from the Region 795 Playoffs. The intent of this is to reward teams that focused on player development. The board shall determine the format of the playoff based on the number of teams that qualify for the region playoffs and the number of teams to be sent to the Area 10V Playoffs.

Teams must remain in good standing during the Region playoffs. Teams (players, coaches, & parents) that exhibit poor sportsmanship or that violate any Region Policies during the Region Playoffs may not be allowed to attend the Area 10V Playoffs. All Teams earning the opportunity to play in the Area 10V playoffs need to be approved by the Region 795 Regional Commissioner or Designee.

Section 11 - Division Volunteer Point System

MY2019 Referee & V-Points System

The Referee program has gained momentum and achieved record success over the past seasons. Overall volunteerism has increased, as well. To encourage recruitment efforts and ensure a **FUN, FAIR, and SAFE** experience for the children, Region 795 utilizes a V-points system.

10U – 14U Teams

1. Each Region 795 10U – 14U team must earn a minimum of 100 V-points during the regular season
2. Teams that fail to reach that goal will **NOT** be eligible for post-season play
3. Each team will be required to provide a minimum of one (1) referee.
 - a. Teams may also provide as many additional adult or youth referees as they desire
4. All referee volunteers must meet AYSO volunteer requirements
5. No points will be awarded to referees who have not registered as a MY2019 AYSO volunteer, completed the online Safe Haven program, completed the Concussion Awareness Training, and completed the required Basic Course including passing the Basic referee test
6. Coaches may also volunteer as a referee, but may not referee their own team's games or games within their division (exceptions may be made at the discretion of the RC, RRA or their designees)
7. Referee points are assigned to the referee who may award 100% of their points to a single team, or split their points, in 5 point increments, among the teams of their family **only**. **Youth Refs can only apply their points to their teams or family's teams. Cannot solicit or buy Ref Points.**
8. Referees will not earn points for games in which their child/children participate
 - a. Referees should not officiate a game in which their child participates
 - b. Exceptions may be made at the discretion of the RC, RRA or their designees
9. Each team may earn a maximum of 15 Referee Game points per week
 - a. Week defined as Monday – Sunday.
 - b. Exceptions may be made at the discretion of the RC, RRA or their designees
10. Points will be calculated for weeks 1-10
 - a. Points will be posted online weekly by V-Point Administrator.
 - b. Final point totals will be posted online
11. Non-referee volunteer points need to be earned.
 - a. A maximum of 25 non-referee Volunteer points may be earned per team for the MY2019 season
12. Board Members earn 25 V-points. **These points may be applied to the Referee Points.**
 - a. Each team may accumulate a **maximum** of 35 points attributed to **Board Member** points

Referee game points must be earned throughout the season.

5U and 6U matches shall be officiated by the team's respective Coaches. There are no points for games in this division.

The Region Referee Administrator may not be able to schedule referees on 7U-8U matches. If a 7U-8U game does not have an assigned youth or adult referee, the game shall be officiated by the coach or registered volunteer designee of the "Home" Team.

There are no minimum V-point requirements for the 5U, 6U, 7U, 8U divisions. However, volunteer support is always needed and welcomed in order to have a successful season.
